## CHINESE SURROUNDED BY JAPANESE SPREAD OVER SEALED CIRCLE

Acknowledge Ground Lost Against Numerous Columns of Japanese—Defenders' Resistance On Seaboard Endangered by Apparently Imminent Success of Japan's Campaign

SHANGHAI, May 14 (P).—Japan's armies, swiftly nearing the Lunghai Railroad from north and south, today virtually had sealed 400,000 Chinese troops in a tight circle on the vital central front.

Chinese acknowledged they were losing ground against dozens of Japanese columns spread-eagled around the dwindling territory they are defending between Japan's conquests in North and Central China.

IMMINENT SUCCESS  
Apparent imminent success of Japan's months-long efforts to reach the East-West Lunghai, Central China's main communications line, endangered the defenders' whole resistance on the seaboard.

China's armies, Japanese declared, would be trapped without hope of escape. Japan's northern and southern forces would be joined and Suichow, where the important North-South Tientsin-Pukow Railroad crosses the Lunghai, no longer could be defended.

A Japanese Army spokesman early today declared the Lunghai would be cut within a few hours.

THOUSANDS KILLED  
Japanese declared 20,000 Chinese soldiers had been killed in twenty-four days from April 14 to May 6 on the Shantung Province front by the great Japanese campaign against Suichow to redeem the blow.

## CREATING NEW AIR COMMAND

Vancouver to Be Western Headquarters of Royal Canadian Air Force

OTTAWA, May 13 (P).—Creation of a Western air command of the Royal Canadian Air Force, was announced today by the Department of National Defence. Group Captain G. O. Johnson, who recently returned from a staff course in England, heads the new command.

Captain Johnson served in France and Belgium with the Royal Naval Air Service, the Royal Flying Corps and the Royal Air Force. He was decorated with the French War Medal and the Military Cross.

Establishment of the command was explained as a decentralization of air force control, while Ottawa still will govern the force in general, the Western command will control R.C.A.F. activities in Western Canada. The system works much like the militia plan of military districts.

Some time ago decentralization was effected in civil aviation, with the Transport Department making Winnipeg the centre for Western activities.

## B.C. Force Will Police Kamloops

KAMLOOPS, May 13 (P).—British Columbia's police force today prepared to take over the policing of Kamloops on July 1 after the City Council of this Interior town formally approved a draft agreement to eliminate the city force.

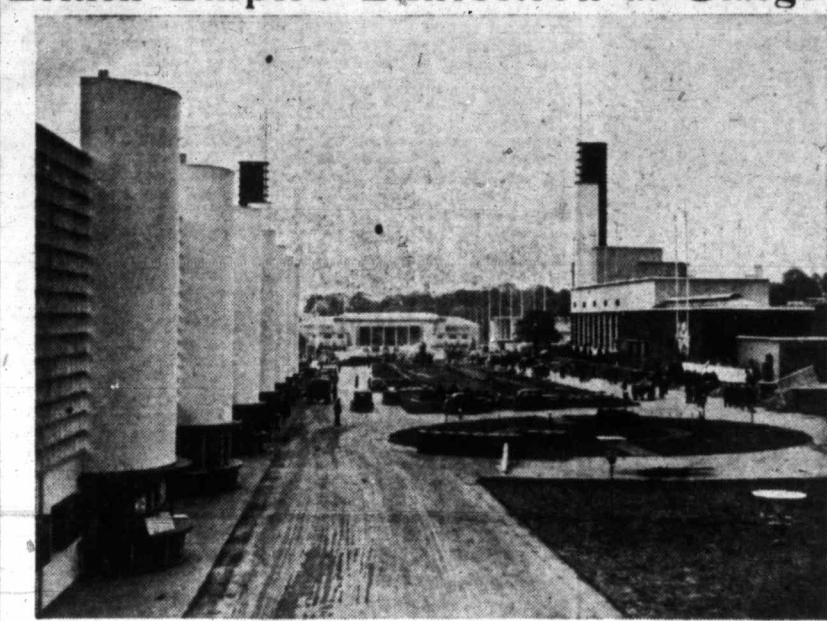

Only a few technicalities remain to be approved at Victoria before the agreement is finally accepted. When the change is made, Kamloops will become the fortieth municipality to be policed by the provincial force.

The new system will cost the municipality \$7,969.75 per year. Chief of Police Charles Anderson will be absorbed into the provincial force as a sergeant and Constables M. L. Thomson and T. C. S. Quate will also join the provincials.

## Report Offer of Lord Swinton to Resign Portfolio

Downing Street Conferences Give Rise to Rumors Of Impending Cabinet Reorganization in Great Britain—Criticism of Air Policy Published in Press of Three Parties

LONDON, May 14 (P).—The Daily Herald (Labor) and The Daily Mail (Independent) today declared Viscount Swinton had offered to resign his portfolio as Secretary for Air but that Prime Minister Chamberlain had not yet accepted the offer.

## NEW BILL HAS EXPLANATIONS

Member for Comox-Alberni Continues to Press for Exclusion of Japanese

OTTAWA, May 13 (P).—If it's explanations the House of Commons wants, A. W. Neil (Independent, Comox-Alberni) is prepared to supply them. A few days ago his bill to prohibit Japanese immigration to Canada was thrown out because it had no explanation attached, as required by the rules.

Mr. Neil thought the bill was self-explanatory, but today he reintroduced it with an explanation on a separate sheet and a few sarcastic comments.

"This bill is the resurrected body of Bill No. 38, which was crucified three days ago by the application of a fifteen-year-old rule, for which there is no need to be much precedent," said Mr. Neil.

THE IMMIGRATION ACT at present lists certain classes prohibited entry to Canada. One of them relates to persons physically capable of reading who cannot read "the English or the French language or some other language or dialect."

Mr. Neil's amending bill would add the words "commonly spoken by and native to the people of any country, state or other political or territorial division in Europe."

In effect, it would exclude persons who could read only an Asiatic language, including Japanese.

Mr. Neil also urged a parliamentary committee to investigate adequacy of the Government's \$34,000,000 defence appropriation and a departmental investigation to determine truth of rumors that Japanese own strategic land near fortifications on the Pacific Coast.

## TALKS WITH HIS CRITICS

Czech Leader of German Minority Pays Visit To London

LONDON, May 13 (P).—Konrad Henlein, leader of Czechoslovakia's minority of 3,500,000 Germans, aired his grievances today before recognized British opponents of Germany's eastward thrust.

He lunched with Winston Churchill, former Cabinet minister and Conservative critic of the British Government, and Sir Archibald Sinclair, leader of the Liberal opposition in the House of Commons. He conferred with Harold Nicolson, National Labor, and six other members of Parliament; and tonight he visited Sir Robert Vansittart, principal diplomatic adviser of the Government.

The latter meeting was his first direct contact with a Government official.

## MINISTER MAKES CALL

During the day the Czechoslovak minister, Jan Masaryk, visited the Foreign Office, apparently to ask details in regard to Henlein's visit. It is understood that he saw Sir Robert Vansittart.

Informed sources said Churchill and the others found Henlein in a moderate mood as they pointed out the gravity of his programme for the Germans whom he leads in Czechoslovakia.

In a speech on April 25 at Karlovy Vary (Carlsbad) before his Sudeten German party, Henlein demanded autonomy for predominantly German districts in Czechoslovakia, revision of that nation's foreign policy and other concessions.

## RETURNING TODAY

He came to London last night as the result of an invitation from a friend, Colonel Malcolm Grahame Christie, a former British air attaché in Berlin, and planned to fly home tomorrow morning.

He expected to come back to London shortly. Mr. Churchill said: "Mutual friends thought it was a good idea for us to talk about the situation in Central Europe since Henlein was coming to England. It (the talk) was strictly private."

## MEXICO BREAKS WITH G.T. BRITAIN

Severs Diplomatic Relations on Account of "Unfriendly Attitude" After Expropriations

MEXICO CITY, May 13 (P).—Mexico severed diplomatic relations with Great Britain tonight.

The Government's Foreign Relations Department announced the withdrawal from London, "in view of the unfriendly attitude" of the British Government to her Minister, Primo Villamil, and the legation staff.

This country's drastic action followed Mexico's increasingly sharp protests at President Lázaro Cárdenas' expropriation on March 18 of British-owned oil properties and Mexico's delay in payment to Britain of claims growing out of Mexican civil wars.

## NO LUCK IN THIRTEEN

ATLANTA, May 13 (P).—Bidding on Friday, the thirteenth, for a contract for work on the Thirteenth Street bridge over the Savannah River in Augusta, Wamnamaker & Wells, Inc., of Orangeburg, S.C., submitted the figure \$113,113.13. The bid failed to win the contract. It was about \$13,000 above the lowest figure.

## LEAGUE REJECTS RESOLUTION TO END NON-INTERVENTION POLICY

### Heat Takes First Victim for Year In N. California

HEALDSBURG, Cal., May 13 (P).—Northern California's first 1938 heat death occurred in the Alexander Valley, near here, today, when Nelson Warner Young, sixty-seven, wealthy pioneer rancher of Northern Sonoma County, died suddenly in a country store. Temperature readings at 3:40 p.m. were as high as 98 at Healdsburg and 91 at Sacramento. San Francisco registered 60.

## Form New Government In Hungary

BUDAPEST, May 13 (P).—Bela Imredi, hailed as a "strong man" who will check Hungary's growing Nazi movement, tonight formed a new Government and immediately outlined a programme for restoring confidence and public order.

Two hours after succeeding Premier Koloman Daranyi, the financial and economic leader addressed a meeting of the Government party and disclosed plans to introduce two far-reaching measures before Parliament tomorrow, aimed at curbing extremist agitation.

He said Hungary's foreign policy would remain unchanged.

## CANADIAN LOAN IS ANNOUNCED

Conversion and Cash Issue Of \$140,000,000 to Be Floated Wednesday

OTTAWA, May 13 (P).—Hon. Charles Dunning, Minister of Finance, announced tonight that next Wednesday subscriptions would be received for a new Dominion of Canada loan up to a maximum of \$140,000,000, of which \$90,000,000 will be in conversion and \$50,000,000 cash subscriptions.

The loan will take the form of six-year 2 per cent bonds due June 1, 1944, priced at 99.375 and accrued interest, to yield approximately 2.11 per cent to maturity, and twenty-year 3 per cent bonds due June 1, 1958, priced at 99 and accrued interest, to yield approximately 3.07 per cent to maturity.

## OPPORTUNITY TO CONVERT

Holders of \$90,000,000 Dominion of Canada 2 per cent bonds which mature next October 15 are given the opportunity to convert their bonds into either maturity of the new loan. Cash subscriptions are also being invited to the extent of \$20,000,000 in the six-year 2 per cent bonds and \$30,000,000 in the twenty-year 3 per cent bonds, Mr. Dunning said.

Both the six-year and the twenty-year bonds will be dated June 1, 1938. The six-year bonds will be non-callable to maturity, but the twenty-year bonds will be callable as a whole or in part on or after June 1, 1953, on sixty days' notice.

## Council Refuses to Extend Material Aid to Chinese

GENEVA, May 13 (P).—Government Spain lost a diplomatic battle tonight when the League of Nations Council, by a 4-2 vote, rejected a resolution calling for immediate end to non-intervention in the civil war. Nine members refrained from voting.

War-torn China received from the council only warm expressions of sympathy in her fight for material aid in her war with Japan, but Chinese sources declared some powers, including Great Britain and France, had agreed to grant China credits for purchase of arms and also assurance of aid in getting the arms into the country. In a secret session the council arranged to go on public record as refusing material aid to China.

NO COMPLETE APPROVAL  
Viscount Halifax, British Foreign Secretary, supported by Georges Bonnet, French Foreign Minister, declared he did not see a possibility of international aid since "such a proposition would certainly not be unanimously approved by the council."

## ECLIPSE IS VIEWED HERE

Clear Skies Afford Victorians Fine Spectacle When Moon Is Shadowed

Clear skies gave Victorians a celestial show last night and this morning when the moon was in total eclipse. It was a spectacular sight as the earth's shadow completely covered the surface of the moon and kept it a dull rust color for almost an hour.

The eclipse was observed from the Dominion Astrophysical Observatory on Little Saanich Mountain and a spectrum was made, but it will not be examined closely until today, Dr. W. E. Harper, director of the observatory, said early this morning. "I think it was one of the finest I have ever seen. It had great brightness and considerable light was bent into the shadow cone."

The shadow began at a point that would represent 9 o'clock on a clock dial and gradually moved across the moon's face.

## Insurgents Twice Raid Barcelona

BARCELONA, May 14 (P).—Insurgent planes raided Barcelona twice early today, bringing to four the total of air raids within thirty-three hours.

The two previous raids took a toll of 200 dead and injured. The series was the most severe group of attacks this capital of Government Spain has suffered since devastating bombardments in March.

In the first raid today, the insurgent planes swung over the city exactly at midnight. The second raid came an hour later.

## LATE NEWS BULLETINS

ANTICIPATE SETTLEMENT OF CZECHO TROUBLE  
LONDON, May 13 (P).—Havas News Agency said tonight that informed political sources believe Czechoslovakia may be induced to scrap its mutual aid pact with Soviet Russia if by this means its dismemberment and the danger of a European war can be averted. As Konrad Henlein, Czechoslovak German minority leader, concluded a crowded day of informal talks with British leaders—notably with critics of the Government—belief was expressed a compromise might be sought between Berlin and Praha, in which the Praha-Moscow ties would be severed.

## POLISH FLYERS ON MEXICAN COAST

MEXICO CITY, May 13 (P).—The Mexican Aviation Company announced tonight that five Polish flyers who left Los Angeles early today on the first leg of a flight to Warsaw, landed at Mazatlan, on the West Coast of Mexico, at 3:48 p.m. (M.S.T.). The flyers expected to proceed to Mexico City tomorrow.

## RECOVER BODY OF TRAPPED MINER

PIONEER, B.C., May 13 (P).—Rescue crews tonight recovered the body of Jack Smurthwaite, forty-three, after a fruitless seven-hour effort to rescue him alive from the 2,300-foot level of Pioneer Mine, where he was trapped by a cave-in late today.

## FIVE BURGLARIES IN TRAIL CITY

TRAIL, May 13 (P).—Police tonight investigated five burglaries which have occurred within three nights in this usually crime-free West Kootenay city. Only small amounts of money and jewelry were taken by the thieves.

## WORKER KILLED AT RAILWAY CROSSING

CLARESBURG, Alta., May 13 (P).—Victim of a highway crossing crash, Ian Campbell, twenty-one, died in hospital here late today. Two hours earlier he was fatally injured when his automobile was struck by a Canadian Pacific Railway gravel train at a crossing four miles south of here.

## BADLY BEATEN BY GROUP OF WOMEN

Calgary Relief Strike Sympathizers Attack Non-Striker as Many Watch

CALGARY, May 13 (P).—Kicked and beaten and his clothes practically torn from his body, a fifty-four-year-old relief recipient was rescued by police from a group of thirty women relief strike sympathizers in East Calgary late today.

Since the relief started here on April 6, he has worked on civic projects. He had gone to the relief office to draw his bi-monthly vouchers.

Eight women followed him from the office and later were joined by another group who attacked him. A Royal Canadian Mounted Police officer rescued him from the mob of women.

The attack was witnessed by 400 people, who gathered on the street corner, and traffic was halted until a squad of city police arrived.

## Municipal Fire Hall For Oak Bay Opened By Premier Pattullo

Large Crowd Inspects Modern Equipment Following Official Ceremony—Reeve and Council Congratulated on Efficient Administration

SIRENS shrieked and motors roared as Oak Bay's two new and glistening fire trucks emerged from the Tudor-style municipal fire hall when Premier T. D. Pattullo cut the ribbon stretched in front of the hall at the official opening ceremony yesterday afternoon.

Immediately after the trucks had come to rest on the apron in front of the hall, large numbers of Oak Bay residents and others entered the hall to inspect its up-to-date equipment.

In bright sunshine, the ceremony took place in the presence of a large gathering, which included Mayor Andrew McGavin and the city aldermen; R. W. Mayhew, M.P.; elect; Herbert Anscomb, M.P.; Reeve Alex Lockley and members and officials of the Esquimalt council; representatives of the Saanich council; the reeve and members of the Oak Bay council and several ex-councillors, and representatives of many Oak Bay and neighboring public bodies.

### MUNICIPAL GROWTH

Gratification at the establishment of a municipal fire department for Oak Bay was expressed by Reeve R. R. Taylor, before Premier Pattullo was called upon to cut the ribbon. Referring to the rapid growth of the municipality, Reeve Taylor mentioned that since incorporation in 1906, between 2,300 and 2,400 houses had been erected in Oak Bay, and the growth was continuing at the rate of from eighty to a hundred houses a year.

A year ago, Reeve Taylor continued, the council had felt that the time was opportune for Oak Bay to furnish and equip its own fire department. A proposal was submitted to the taxpayers, and was passed almost unanimously, and the council had proceeded with its money by-law for the purpose. An energetic committee of the council, under the chairmanship of Councillor P. A. Gibbs, had worked strenuously during the past six months to complete the establishment of the department.

### LATEST EQUIPMENT

Designed by P. Leonard James, the new fire hall was in keeping

with the architecture of the homes in Oak Bay, and the equipment was of the very latest type, the reeve continued, remarking that he hoped the ratepayers would be satisfied with the manner in which their money had been spent. The department, he said, had been established without any increase in the taxes for this year, and through the co-operation of the Fire Underwriters' Association, the taxpayers had been granted a reduction in insurance premiums.

Under Chief E. Golder Clayards, the personnel of the department had been chosen with great care, and the municipality had reason to feel proud of the competent young men who formed the brigade, Reeve Taylor said. He expressed his thanks to the City Council and Fire Chief Alex Munro for valuable advice and help in choosing the equipment and organizing the department, and referred also to the assistance given by the underwriters' association.

"Oak Bay is now fully equipped to handle any fire that may occur," Reeve Taylor concluded.

### PREMIER'S ADDRESS

Premier Pattullo, especially fitted to officiate at the ceremony by reason of the fact that he is a resident of Oak Bay and was born in Woodstock, Ont., where the new fire trucks were manufactured, expressed his appreciation of the action of the council in delaying the official opening of the hall until his return from the East.

It would have been impossible for the council to have chosen a finer setting for the hall, the Premier said, in describing the beauties of Oak Bay as comparable with anything to be found in the cities of Eastern Canada and the United States.

Premier Pattullo heartily congratulated Reeve Taylor, the councillors, and their predecessors, on their efficient administration of the affairs of Oak Bay, and mentioned that he had been informed that the council, school board and police commissioners all were operating within their estimates, and the municipal clerk handled the sinking funds in a manner that was to be most highly commended.

### CONTRAST DRAWN

Recalling his own youth spent in the Yukon, Premier Pattullo drew a contrast between the small amount of fire loss in Victoria and the annual destruction that had taken place in the city of Dawson. Every year, Dawson was burned down, and two-thirds of the money collected in taxes was spent in fire-fighting, he said.

"With the reeve, I sincerely hope that the brigade will not have much work to do, but I feel assured that when the men are called upon, they will do their work well," the Premier concluded.

At the conclusion of the ceremony at the fire hall, afternoon tea was served in the Oak Bay high school building under the direction of Miss Bertha Rogers, home economics teacher, and Captain F. G. Dexter, with the assistance of the girls of Grade 8 at the Willows and Monterey schools.

## WOULD BORROW SHIPS FOR PACIFIC DEFENCE

Continued from Page 1

Mr. Green attacked the "hush-hush" policy of the Government on foreign affairs. He suggested that it should be admitted Canada was committed to a defensive alliance with other countries in the British Empire and to co-operate with the United States. It would be the wisest and safest policy to follow.

"We know these people of the British nations; we know we can depend on them and we know we can trust them. There is very little risk of one nation of the Commonwealth doing anything to drag the others into war.

"We have seen that in the last few weeks in the attitude of the Prime Minister of Great Britain.

### MUST WORK TOGETHER

"Any Canadian foreign policy necessarily might involve risk and my submission is that any other policy than that of working with the other units of the Empire would involve far more serious risks."

Mr. Green accused the Government of focusing public attention on the fact Canada had no war commitments instead of on a defensive alliance within the British Empire. "This attitude on the part of the Government is entirely out of line with the courage and clear-sightedness of the Canadian people. In my opinion the Government policy could best be described as spineless."

### NO ADEQUATE DEFENCES

There are no adequate defenses on the Pacific against minor attacks, hit-and-run raids by planes or expeditions to establish bases. The Government should be praised for what it had done to establish defenses on the Pacific, but it was not going far enough. There were 1,200 Japanese fishing vessels on the Canadian Pacific Coast, said Mr. Green, "which

## Cheaper Empire Cables

Our picture, taken at a special conference at Electra House, London, shows Edward Wilshaw, chairman of Cable & Wireless Limited, explaining the new scheme.

would have to be dealt with in the event of hostilities with the Empire of Japan."

The Government was buying two second-hand destroyers from the British Navy this year, which would increase the Pacific fleet to four destroyers and two minesweepers. It was apparent the Government was content to buy only a year's equipment at a time.

The Defence Department apparently had no plan for naval defenses like Great Britain and Australia. If there was, it should be made public.

### MINIMUM REQUIREMENTS

Admiral Jellicoe, after the Great War, held the minimum requirements for Canada were three light cruisers, one flotilla leader, twelve torpedo boats and eight submarines. This was merely to protect the country.

Light vessels like torpedo boats and submarine chasers were needed on the Pacific Coast, Mr. Green said. A mosquito fleet could be manned that would protect the bays and inlets.

Canada had no plan for the manufacture of munitions in Canada, said Mr. Green. It had been said three years would be required to secure certain equipment. Other nations were too busy preparing to defend themselves to sell munitions to Canada.

Strategic islands on the Pacific Coast ought now to be in possession of the Government. There was nothing to prevent the Japanese acquiring land, timber limits and mineral rights near Canadian fortifications.

### WANTS SURVEY MADE

"We hear rumors that such is the case," Mr. Green said. "I suggest to the Minister that we have a survey made as quickly as possible of the owners of these rights at those strategic points near our fortifications."

The Government had failed to face necessity, from a military viewpoint, of creating highways to the Pacific Coast. There were no highways through British Columbia.

In addition, the Government was remiss in not providing for adequate training of the militia in British Columbia, said Mr. Green. This was so when it came to personnel for manning the forts, protecting bases and repelling raids.

The permanent force in that province numbered only a few hundreds, while last year only 2,550 men of the non-permanent militia had been trained.

### URGES LARGER MILITIA

"I would suggest the Minister allow those British Columbia units to recruit up to strength sufficient to man these points," said Mr. Green. "These militia men should be equipped as soon as possible, and should be given training at once."

This matter, he said, was sufficiently serious to warrant an investigation this year by a House committee, comprising all parties.

## Explain Need of Care With Fires In B.C. Forests

gan at 12:18 this morning and ended at 1:09, and left the earth's shadow at 2:31. The degree of darkening varies from one eclipse to another, depending upon the weather conditions upon that portion of the earth which would correspond to its rim as seen from the moon.

As the weather all around the moon was clear last night and early this morning there was a considerable quantity of sunlight bent by the earth's atmosphere into the shadow cone, giving a dull copper-colored light. Had the weather been turbulent at the time of the total eclipse then little light would have been refracted into the shadow cone and the eclipse would have been perfect from the spectator's point of view.

## REPORT OFFER TO RESIGN PORTFOLIO

Continued from Page 1

series of conferences, kept his own counsel and went to the country for the week-end. Observers believed the Prime Minister discussed the problem of Cabinet reorganization with Lord Baldwin at their luncheon conference.

There were many who believed Mr. Chamberlain would stake his political future, if necessary, in a battle on behalf of Lord Swinton, one of his warmest personal friends.

### A TRIPLE DEMAND

Mr. Chamberlain will speak next Thursday in a House of Commons debate on a triple demand—by Labor, Liberals and a group of Conservatives—for an investigation of air defence.

"It was Lord Baldwin's first such visit since he resigned a year ago, and in Downing Street there was speculation as to whether Mr. Chamberlain had solicited advice of the elder statesman.

They were believed to have discussed political consequences of yesterday's Parliamentary debate when even a number of Conservatives joined in the attack on the Government's air rearmament programme.

Sir Samuel Hoare, Home Secretary, also joined in the luncheon meetings.

### ADDED WEIGHT

The meeting added weight to the growing feeling that Cabinet changes are impending, because of the number of peers at present in the Cabinet and the attacks on the Government's air policy.

In spite of the Government's announced intention to double Great Britain's air strength, critics still want an inquiry, the result of charges that Britain's air rearmament is lagging—particularly behind that of Germany.

Conservative newspapers joined Liberal and Labor papers in terming the Air Ministry's defence yesterday as unsatisfactory and hinted the Government should make some move to reassure the public that Britain's air strength would match Germany's and that the taxpayer was receiving something of real value for his heavy expenditures on arms.

### THE COMEBACK

The tourist, trying to be funny, suddenly pointed to a scarecrow and remarked: "I suppose that is one of the natives!" Smart Guide—"Oh, no, sir; just a visitor like yourself."

## FRESH STAKING AT COAST AREA

Reports of Discovery of New Vein at Port Eliza Arm Reach Victoria

Word of a new gold strike in the Zeballos area at Port Eliza Arm, fifteen miles north of the townsite, was brought to the city yesterday by private sources, declaring considerable staking had been carried out at the scene following discoveries made by Stanley Newton and Andrew Rustrand, of Centre Island.

D. T. Lutes, manager of the Coopers Cannery, brought reports of a fresh strike made two miles up the arm from Queen's Cove, where veins were uncovered on the beach and traced for a considerable distance. A rush of staking followed by those in the area.

### BOARD OF TRADE

Mr. Lutes was in town arranging for the organization of the Zeballos Board of Trade, charter for which he being sought with thirty-five initial members.

Provincial officials expressed interest in the reported extension of the Zeballos goldfield, but were without details as to the extent or importance of the discovery.

organize an international boycott of Japanese goods and to forbid League members to sell war materials to Tokyo was said, however, to have won the war credits fight in behind-the-scenes negotiations.

### RUSSIA BACKS SPAIN

Soviet Russia alone stood by Spain which received special permission to participate in the vote. Only two, Poland and Rumania, followed France and Great Britain in rejecting the Spanish Government's resolution.

Those abstaining were China and New Zealand, which had been expected to vote with Spain; Ecuador, Latvia and Peru, which had been expected to support Great Britain and France; and Bolivia, Sweden, Iran and Belgium.

The nine abstentions came as a surprise and in some League quarters they were regarded as weakening the Anglo-French leadership in the League. Belgium's abstention was particularly unexpected as Belgium has been a consistent follower of the two big powers.

### MAKES FIGHTING SPEECH

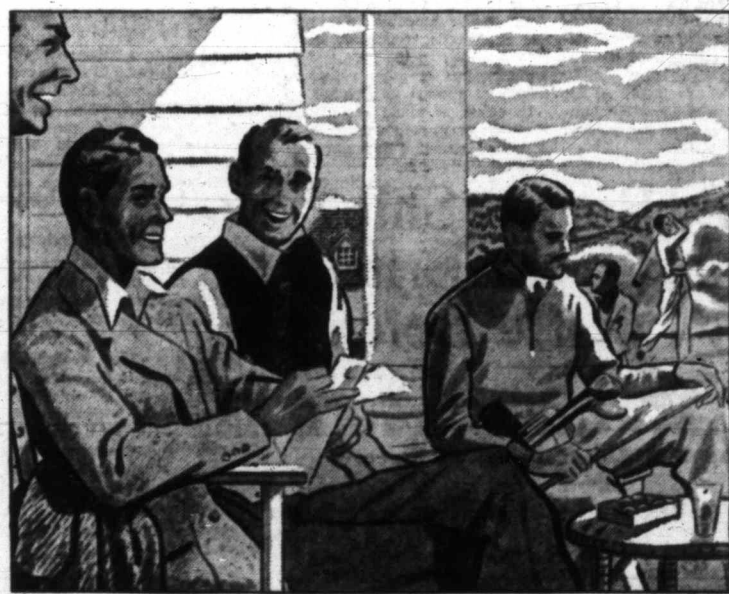

Alvarez del Vayo's speech was an impassioned plea on behalf of the Valencia Government, and an attack on Great Britain and France for fostering the non-intervention policy. He accused them of strangling "Spain's fight for independence by placing the rope with which to do it in the hands of the invaders."

He contended the International Brigade in the Republican ranks numbered at most 6,000 volunteers, while Italy's "volunteers" were 100,000 strong in Franco's ranks, bolstered by a large staff of German technicians.

"I have listened with attention and not without surprise to what has been said by the honorable delegate from Spain," Lord Halifax replied. "He has addressed to me a particular question and it seems to demand a reply. That question (how Britain and France could justify non-intervention) would seem to suggest that intervention in Spain has taken place only on the side of those against the Government. This is not the information in the possession of His Majesty's Government, nor do I believe it can be seriously maintained.

### PRESSING FOR WITHDRAWAL

"We will continue our efforts towards withdrawal of all foreign participants on both sides. The draft resolution submitted by the representative from Spain, I would say, seems to me in direct contradiction with the policy which I have been honored to outline as that of His Majesty's Government.

## PLANES LAND AT WINNIPEG

Fine Weather Favored Flight Of Flyers Over Rocky Mountains

WINNIPEG, May 13.—At an average speed of a little better than 230 miles per hour, the first of the two new Lockheed 14 H planes for the Trans-Canada Air Lines service arrived in Winnipeg at noon today from Vancouver. They left Vancouver airport this morning at 4:30 and 4:35 respectively and made the non-stop flight to Winnipeg in 5 hours and 15 minutes.

The first plane was piloted by "Slim" Lewis, technical adviser for flying, T.C.A.; with F. M. McGregor as co-pilot. The second was piloted by Lewis Leach, with J. L. Rood as co-pilot. H. O. West, technical adviser for maintenance and repair, was also in the first plane. Delivery was taken at the Lockheed factory at Burbank, California.

**THOROUGHLY PROFICIENT**  
These planes are the first of ten which will form the permanent transcontinental service of T. C. A. and the other eight will be delivered early in the summer. For the time being the new planes will be used in Winnipeg for the further training of the pilots on the staff here, so that by the time the remainder of the planes are received, the pilots will be thoroughly proficient in every phase of handling the newer type of machine.

The trip across Western Canada was made without incident. Good weather was experienced over the entire trip, with the exception of Manitoba, where they ran into a series of heavy clouds and some rain. The planes maintained an altitude of 12,000 feet most of the way, dropping to some lower altitudes for the purpose of testing various phases of the radio.

**FINE TYPE OF PLANE**  
"The planes handled beautifully," stated Mr. Lewis, as he stepped from

the cockpit on arrival. "The weather was fine and the machines responded to every test. They are an extremely fine type of plane and will offer the passengers the utmost in flying comfort when the service goes into operation."

"They are a particularly comfortable plane from a passenger standpoint and have plenty of speed. Five hours from Vancouver to Winnipeg and an enjoyable trip," concluded the technical adviser as he hustled into his top coat to check in at the office.

With a cruising speed of 200 and a maximum speed of 240 miles an hour, this type of airplane is the world's fastest transport.

## WOULD MAKE RESTITUTION

Sailor, Pleading Guilty to Charges, Said he "Had Job Now"

VANCOUVER, May 13 (P).—Claridge Moorehouse, the Nova Scotia sailor who paddled his wife and two-year-old daughter around the northern tip of Vancouver Island from Port Alberni to Vancouver, today pleaded guilty in city police court to three charges of obtaining money and goods by false pretences.

Moorehouse was arrested yesterday, less than a week after he completed the perilous journey in his fifteen-foot Indian dugout canoe. The case was adjourned to Monday for disposition.

"I'll make restitution," Moorehouse told the court as he entered his plea.

"How can you do that?" Magistrate H. S. Wood asked. Moorehouse told interviewers on his arrival here that he had left Port Alberni for Vancouver in search of work because the family was destitute.

Moorehouse said he had a job now. The charges to which Moorehouse pleaded guilty alleged he had obtained money and goods totaling \$24 here in November, 1936.

The sailor, before his arrest, had

announced he planned to paddle the canoe as far as the Panama Canal, and possibly on to Halifax.

## MYSTERY CONTINUES TO SHROUD TRIP OF SEATTLE RESIDENTS

SEATTLE, May 13 (P).—Mystery continued today to shroud the disappearance of Mr. and Mrs. John W. Rossick, Seattle couple, who disappeared last October when their cruiser was lost off Northern Vancouver Island, on their way south from Alaska.

Mrs. Lucille Mitchell, Mrs. Rossick's sister, said British Columbia Provincial Police had notified her that wreckage of a cruiser found in Queen Charlotte Sound was not the Rossick craft, as at first thought. Their boat was last seen October 28.

## FIRE ABOARD DOLLAR SHIP

Blaze Damaged Cotton and Canned Goods to Value Of \$35,000

SAN FRANCISCO, May 13 (P).—Fire of undetermined origin in a hold of the Dollar liner President Polk was extinguished quickly today and work of loading the ship for the Orient continued.

The blaze, tentatively attributed to spontaneous combustion, caused damage to cotton and some canned goods in the hold, but Dollar officials said it would be unnecessary to discharge more than a small amount of the cargo. They expected the ship would get away about midnight.

Six longshoremen were at work in the hold when the fire broke out, but no one was injured. The ship itself was unharmed. Fire Chief Charles Brennan said he thought the loss would approximate \$35,000.

## PRISON TERMS FOR PLOTTERS

Men Who Attempted to Smuggle Opium Ashore From Ship Sentenced

SAN FRANCISCO, May 13 (P).—Two men were convicted in the plot to smuggle opium ashore from the United States Navy transport Chautauque today.

Ernest C. Olson, operator of a night club, was convicted of smuggling eighty-one tins of opium, worth \$40,000, from the navy transport, and also of conspiracy. He was sentenced to serve six years on the first count and two on the second, the terms to run consecutively.

He also was fined \$1 on the smuggling charge and \$1,000 for conspiracy.

Eugene "Roe" Bastida was convicted of conspiracy and the jury directed to acquit him of smuggling, transportation and concealment. He was sentenced to two years and fined \$1,000.

Robert Pinson, Chaumont baker, and Andrew Horvath, ship's mail orderly, who previously confessed complicity, also were sentenced. Pinson was given three years and fined \$1 for smuggling, and Horvath eighteen months and a \$1 fine for smuggling.

## RAILWAY UNION SELECTS HEADS

Retiring Chief Officials Are Re-elected at Convention in Vancouver

VANCOUVER, May 13 (P).—Division Four, Railway Employees' Department of Labor, meeting in convention here, announced today R. J. Tallon, Calgary, had been re-elected president. Thomas A. Broad, Ottawa, was re-elected vice-president.

The executive will be composed of one representative from each of the seven constituent unions, to be chosen later. Port Arthur, Ont., was selected as the next convention city.

The convention will be followed by a one-day meeting of the Canadian National System Federation of Shop-Craft Unions.

## YACHT RACES BEGIN TODAY

Three Races Scheduled for Opening of Season at Cadboro Bay

With a programme of three races, including one for snipes, a new class this year, the Royal Victoria Yacht Club will officially open its 1938 season at Cadboro Bay this afternoon, the first race being timed for 3 o'clock, and the remaining two at five-minute intervals. Stars and fourteen-foot international dinghies will race in the first series for the Longstreth and Devonian Cups, respectively.

The season for auxiliary cruisers will open tomorrow, when the first of the series of three races for the Virtue Cup will start at 10:30, over a course to Hein Bank and back, a distance of twenty-five miles.

Today's course for stars will take the boats to the end of the Willows Beach, the turn mark being off Jimmy Chicken Island, opposite So-mass Drive. Spectators will thus be afforded an excellent view of the race. A series of seven races will be sailed for the Longstreth Cup during the season.

**STAR ENTRIES**  
Star boats entered for the first race today are: A. Packford's Aquila, winner of the special series last year; I. C. Barltrop's Aura, winner of the Discovery Island race last year; R. F. Blandy's Boykin, to be sailed by Walter Blandy; W. T. Barlett's Minkita, and T. G. Halkett's Ripples, last year's winner of the Longstreth Cup.

The international dinghy race for the Devonian Cup will be the first of a series to be sailed under the same conditions as those governing the Longstreth Cup. The following entries have been received for today: G. A. Hea's Bandicoot; Thomas Beeching's Dabchick; B. C. Nickels' Falcon; John Todd's Helen; H. Gann's Kismet, winner of last year's special series, and now to be raced under a new suit of sails; W. H. Golby's Guillemot; J. O. Healy's Murrelet; H. J. Barnes' Pancho; E. P. Ashe's Penguin; G. S. Johnson's Puffin; Peter Hincks' Onoway, winner of the Devonian Cup last year; J. W. Golby's Tahiti, and K. Walker's Tern, previously owned by Gordon Campbell.

For the first race for snipes, entries have been received from O. Griffin, W. June, J. Moran and F. Ward.

**HEIN BANK RACE**  
The Hein Bank race tomorrow should provide some interesting sailing, in view of the diversity of craft that will take part in this event. Boats eligible for the race are: C. L. Campbell's cutter Barbara Jean; Dr. J. C. Foote's schooner Buccaneer; Captain R. S. Johnson's yawl Cheria; W. H. Langley's sloop Dorothy; M. D. A. Darling's yawl Elmsair; H. T. Barnes' yawl Minerva; C. Percival's sloop Minto; F. C. Holden's cutter Richmond II, and T. G. and R. C. Denny's yawl West Wind.

## AUTHORIZED TO CONTINUE WORK

Dominion Government Will Pay for Improvements at Sea Island Airport

VANCOUVER, May 13 (P).—Airport Manager William Templeton said today he had received authorization from Ottawa to proceed with completion of a northeast-southwest runway at Sea Island Airport.

The runway was started last August. It will be graded and seeded over an area 3,600 feet long and 500 feet wide.

The project is part of \$85,000 development programme recently submitted to the Federal Government for approval.

## VANCOUVER SHIPPING

VANCOUVER, May 13 (P).—Five halibut boats offered their catches on the Vancouver Fish Exchange today, but only four sold. The fifth went to Seattle with her catch. Prices ranged from six to eight cents.

The Norwegian motorship Taranger arrived here today from Prince Rupert to load wheat and general cargo for Europe. She loaded 3,550 tons of the grain at Prince Rupert.

Motorship Hiye Maru sailed at noon today for Japan. She carried a full cargo and 110 passengers. Heian Maru will arrive Monday.

Ms. King John will sail May 25 from Vancouver for the British West Indies.

## SAILS THIS EVENING

With 150 travelers in all classes aboard, the Canadian Pacific S.S. Empress of Asia is sailing from Victoria this evening at 5:30 o'clock. The liner should dock here from Vancouver at 4 p.m.; when she will embark a number of passengers and load mails and some general cargo.

## Low Summer Fares Will Continue on American Railway

Effective tomorrow, the Great Northern Railway announces low Summer excursion fares to continue throughout the travel season. Substantial savings may be effected, especially in trips to distant Eastern points. Particularly attractive is the extension of the return time limit on first class sleeping car accommodations from thirty days to three months.

Reports of renewed interest in transcontinental trips have prompted the transportation plan to the operation of its crack train, the Empire Builder, in two sections all Summer. A private bedroom car of the latest design will be included in Empire Builder equipment eastbound daily, May 18 to December 1.

Longshoremen Are Working Cargo at Tacoma Following Ten-Day Shutdown

TACOMA, Wash., May 13 (P).—Longshoremen worked cargo in Tacoma's port tonight after a ten-day labor truce halted the waterfront shutdown here and forestalled a serious shipping tieup at Seattle.

Several hours after the fourteen-day shutdown ended here at 8 a.m., first longshore crews were called to work the ore carriers Eastholm and Concor and the lumber schooner Lake Francis, first vessels to reach the previously deserted port. About 1,600 waterfront employees had been idle.

The truce terms included: Employers lifted their suspension of relations with American Federation of Labor affiliated Tacoma longshoremen, who had refused to pass a Sailors' Union of the Pacific picket line to work the Shepard Line freighter Timber Rush.

**MOVED TO SEATTLE**  
The Timber Rush was removed to Seattle with its Committee for Industrial Organization National Maritime Union crew.

During the ten-day truce period the Independent Sailors' Union of the Pacific, the Federal Labor Department, the Shepard Line and the Labor Relations Board will conduct East Coast Conference to decide whether the Sailors' Union or the N.W.U. will furnish Shepard Line crews. No Shepard Line ships will enter Tacoma harbor in the meantime.

Seattle seamen and firemen, who left their ships late Thursday as reprisal against the Tacoma closure, reported back aboard today after the truce was voted.

## MYSTERY CONTINUES TO SHROUD TRIP OF SEATTLE RESIDENTS

SEATTLE, May 13 (P).—Mystery continued today to shroud the disappearance of Mr. and Mrs. John W. Rossick, Seattle couple, who disappeared last October when their cruiser was lost off Northern Vancouver Island, on their way south from Alaska.

Mrs. Lucille Mitchell, Mrs. Rossick's sister, said British Columbia Provincial Police had notified her that wreckage of a cruiser found in Queen Charlotte Sound was not the Rossick craft, as at first thought. Their boat was last seen October 28.

## FIRE ABOARD DOLLAR SHIP

Blaze Damaged Cotton and Canned Goods to Value Of \$35,000

SAN FRANCISCO, May 13 (P).—Fire of undetermined origin in a hold of the Dollar liner President Polk was extinguished quickly today and work of loading the ship for the Orient continued.

The blaze, tentatively attributed to spontaneous combustion, caused damage to cotton and some canned goods in the hold, but Dollar officials said it would be unnecessary to discharge more than a small amount of the cargo. They expected the ship would get away about midnight.

Six longshoremen were at work in the hold when the fire broke out, but no one was injured. The ship itself was unharmed. Fire Chief Charles Brennan said he thought the loss would approximate \$35,000.

## PRISON TERMS FOR PLOTTERS

Men Who Attempted to Smuggle Opium Ashore From Ship Sentenced

SAN FRANCISCO, May 13 (P).—Two men were convicted in the plot to smuggle opium ashore from the United States Navy transport Chaumont today.

Ernest C. Olson, operator of a night club, was convicted of smuggling eighty-one tins of opium, worth \$40,000, from the navy transport, and also of conspiracy. He was sentenced to serve six years on the first count and two on the second, the terms to run consecutively.

He also was fined \$1 on the smuggling charge and \$1,000 for conspiracy.

Eugene "Rosey" Bastida was convicted of conspiracy and the jury directed to acquit him of smuggling, transportation and concealment. He was sentenced to two years and fined \$1,000.

Robert Pinson, Chaumont baker, and Andrew Horvath, ship's mail orderly, who previously confessed complicity, also were sentenced. Pinson was given three years and fined \$1 for smuggling, and Horvath eighteen months and a \$1 fine for smuggling.

## RAILWAY UNION SELECTS HEADS

Retiring Chief Officials Are Re-elected at Convention in Vancouver

VANCOUVER, May 13 (P).—Division Four, Railway Employees' Department of the American Federation of Labor, meeting in convention here, announced today R. J. Talion, Calgary, had been re-elected president. Thomas A. Broad, Ottawa, was re-elected vice-president.

The executive will be composed of one representative from each of the seven constituent unions, to be chosen later. Port Arthur, Ont., was selected as the next convention city.

The convention will be followed by a one-day meeting of the Canadian National System Federation of Shop-Craft Unions.

## YACHT RACES BEGIN TODAY

Three Races Scheduled for Opening of Season at Cadboro Bay

With a programme of three races, including one for snipes, a new class this year, the Royal Victoria Yacht Club will officially open its 1938 season at Cadboro Bay this afternoon, the first race being timed for 3 o'clock, and the remaining two at five-minute intervals. Stars and fourteen-foot international dinghies will race in the first series for the Longstreth and Devonian Cups, respectively.

The season for auxiliary cruisers will open tomorrow, when the first of the series of three races for the Virtue Cup will start at 10:30, over a course to Hein Bank and back, a distance of twenty-five miles.

Today's course for stars will take the boats to the end of the Willows Beach, the turn mark being off Jimmy Chicken Island, opposite So-mass Drive. Spectators will thus be afforded an excellent view of the race. A series of seven races will be sailed for the Longstreth Cup during the season.

## STAR ENTRIES

Star boats entered for the first race today are: A. Packford's Aquila, winner of the special series last year; I. C. Bartrop's Aura, winner of the Discovery Island race last year; R. F. Blandy's Boykin, to be sailed by Walter Blandy; W. T. Bartlett's Mintaka, and T. G. Halkett's Ripples, last year's winner of the Longstreth Cup.

The international dinghy race for the Devonian Cup will be the first of a series to be sailed under the same conditions as those governing the Longstreth Cup. The following entries have been received for today: G. A. Heal's Bandicoot; Thomas Beeching's Dabchick; B. C. Nickels' Falcon; John Todd's Helen; H. Gann's Kismet, winner of last year's special series, and now to be raced under a new set of sails; W. H. Golby's Guillemot; J. O. Healy's Murrelet; H. J. Barnes' Pancho; E. P. Ashe's Penguin; G. S. Johnson's Puffin; Peter Hincks' Onoway, winner of the Devonian Cup last year; J. W. Golby's Tahiti, and K. Walker's Tern, previously owned by Gordon Campbell.

For the first race for snipes, entries have been received from O. Griffin, W. Jeune, J. Moran and P. Ward.

## HEIN BANK RACE

The Hein Bank race tomorrow should provide some interesting sailing, in view of the diversity of craft that will take part in this event. Boats eligible for the race are: C. L. Campbell's cutter Barbara Jean; Dr. J. C. Poole's schooner Buccaneer; Captain R. S. Johnson's yawl Cheria; W. H. Langley's sloop Dorothy; M. D. A. Darling's yawl Elmarsh; H. T. Barnes' yawl Minerva; C. Percival's sloop Minto; P. C. Holden's cutter Richmond II, and T. G. and R. C. Denny's yawl West Wind.

## AUTHORIZED TO CONTINUE WORK

Dominion Government Will Pay for Improvements at Sea Island Airport

VANCOUVER, May 13 (P).—Airport Manager William Templeton said today he had received authorization from Ottawa to proceed with completion of a northeast-southwest runway at Sea Island Airport.

The runway was started last August. It will be graded and seeded over an area 3,600 feet long and 500 feet wide.

The project is part of \$95,000 development programme recently submitted to the Federal Government for approval.

## VANCOUVER SHIPPING

VANCOUVER, May 13 (P).—Five halibut boats offered their catches on the Vancouver Fish Exchange today, but only four sold. The fifth went to Seattle with her catch. Prices ranged from six to eight cents.

The Norwegian motorship Tanager arrived here today from Prince Rupert to load wheat and general cargo for Europe. She loaded 3,500 tons of the grain at Prince Rupert.

Motorship Hiye Maru sailed at noon today for Japan. She carried a full cargo and 110 passengers. Heian Maru will arrive Monday.

Ma. King John will sail May 25 from Vancouver for the British West Indies.

## SAILS THIS EVENING

With 150 travelers in all classes aboard, the Canadian Pacific S.S. Empress of Asia is sailing from Victoria this evening at 8:30 o'clock. The liner should dock here from Vancouver at 4 p.m., when she will embark a number of passengers and load mails and some general cargo.

## Low Summer Fares Will Continue on American Railway

Effective tomorrow, the Great Northern Railway announces low Summer excursion fares to continue throughout the travel season. Substantial savings may be effected, especially in trips to distant Eastern points. Particularly attractive is the extension of the return time limit on first class sleeping car accommodations from thirty days to three months.

Reports of renewed interest in transcontinental trips have prompted the management to plan the operation of its crack train, the Empire Builder, in two sections all Summer. A private bedroom car of the latest design will be included in Empire Builder equipment eastbound daily, May 18 to December 1.

Longshoremen Are Working Cargo at Tacoma Following Ten-Day Shutdown

TACOMA, Wash., May 13 (P).—Longshoremen worked cargo in Tacoma's port tonight after a ten-day labor truce halted the waterfront shutdown here and forestalled a serious shipping tieup at Seattle.

Several hours after the fourteen-day shutdown ended here at 8 a.m., first longshore crews were called to work the ore carriers Eastholm and Condon and the lumber schooner Lake Francis, first vessels to reach the previously deserted port. About 1,600 waterfront employees had been idle.

The truce terms included: Employers lifted their suspension of relations with American Federation of Labor affiliated Tacoma longshoremen, who had refused to pass a Sailors' Union of the Pacific picket line to work the Shepard Line freighter Timber Rush.

**MOVED TO SEATTLE**  
The Timber Rush was removed to Seattle with its Committee for Industrial Organization National Maritime Union crew.

During the ten-day truce period the Independent Sailors' Union of the Pacific, the Federal Labor Department, the Shepard Line and the Labor Relations Board will conduct East Coast Conference to decide whether the Sailors' Union or the N.W.U. will furnish Shepard Line crews. No Shepard Line ships will enter Tacoma harbor in the meantime.

Seattle seamen and firemen, who left their ships late Thursday as reprisal against the Tacoma closure, reported back aboard today after the truce was voted.

Property Contemplates  
Early SubdivisionThe property at Gordon Head  
which was used as an airfield  
some years ago, and has from time  
to time been suggested as a field  
suitable for an airport for Victoria,  
may cease to be available for that  
purpose, according to information  
received yesterday.The owner of the property, Mr.  
Traynor, a Vancouver resident, was  
in Victoria recently and it is un-  
derstood that he intends in the im-  
mediate future to have the area sub-  
divided into lots containing two or  
three acres each, unless there is a  
definite indication within the next  
twenty or thirty days of the possi-  
bility of the property being taken  
over for airport purposes. Mr. Tray-  
nor is stated to be clearing up his  
affairs in British Columbia before  
returning to Ireland to take up per-  
manent residence there.The land referred to is regarded in  
some quarters as the only area

IS USEFUL REFERENCE.  
TO ALL ADVERTISERSJust issued, the 1938 edition of the  
Directory of Canadian Publications,  
published annually for the last  
thirty-one years by A. McKim, Ltd.,  
advertising agency, presents in con-  
cise form the most up-to-date data  
on every periodical published in  
Canada. Because of its contents,  
newspaper advertisers will find McKim's  
Directory an invaluable aid to the  
factual study of media. In addition  
to essential information about  
publications, it contains valuable  
market data about the particular  
cities and towns where publications  
are located.Beneath all this statistical surface,  
there exists a living, growing sub-  
stratum, still more significant to the  
advertiser. The character of each  
publication; its purposes and poli-  
cies; the nature and degree of its  
reader interest; the subtle differ-  
ences, intangible but real, which in  
the individual we call "personality"—  
these often transcend the details of  
circulation, age, deadline and ty-  
pography. The men behind the pub-  
lications, their individuality and  
ideals, their stature and substance,  
are also part of the picture. All  
these things lie below the visible skin  
of a publication. They are the heart,  
lungs, life blood of a periodical, and  
they determine its precise suitability  
for the task it must perform for an  
advertiser.Ex-Mayor's Son

Men's GuildApproximately 130 persons were  
present in the Memorial Hall on  
Thursday evening, when a social  
gathering was held under the aus-  
pices of the Christ Church Cathedral  
Men's Parish Guild to extend a  
welcome to Very Rev. S. H. Elliott,  
Dean of Columbia. A very enjoy-  
able evening was spent, and the  
view was expressed that such gather-  
ings should be held more fre-  
quently.Every parish guild in Victoria was  
represented, including those as far  
distant as Royal Oak and Straw-  
berry Vale, and many of the men  
who made the acquaintance of the  
dean for the first time were able  
to talk with him of parishes in En-  
gland in which he had served the  
church and in which they them-  
selves had resided before coming to  
British Columbia. H. H. Smith was  
chairman for the evening.

## DEAN'S ADDRESS

An inspiring address was given  
by Dean Elliott in responding to the  
warm welcome extended to him. He  
spoke of the ready and genuine  
friendship shown on all sides to his  
family and himself from the mo-  
ment of their arrival in Victoria,  
and told of the value of sympathetic  
relationships between the clergy and  
the laity.Prior to Dean Elliott's address,  
Mark Parfitt led the gathering in  
community singing, with W. S.  
Emmerton at the piano. Refresh-  
ments were served.AVIATOR CHALLENGES

Delivers Address at  
Alberta UniversitySir Edward Beatty Defines Education as Attempt  
To Make Men and Women Better—Re-  
ceives Doctorate of LawsEDMONTON, May 13 (P).—The definition of education,  
which he holds in highest regard is "the ancient and  
simple one that it is an attempt to make men and women  
better," said Sir Edward Beatty, chairman and president of the  
Canadian Pacific Railway, in delivering the convocation address  
at the University of Alberta here today.The only non-student to be hon-  
ored, Sir Edward received the  
honorary degree of doctor of laws,  
Chancellor of McGill University,  
Sir Edward has received similar  
honors from Toronto, McGill, Mc-  
Master and Western Ontario Uni-  
versities.

## ANALYSIS OF EDUCATION

Sir Edward devoted his address  
to an analysis of education and its  
development, particularly in the  
Prairie Provinces. "After all, edu-  
cation is nothing more nor less than  
the attempt to mold and adapt the  
youth of a community to play the  
best part possible in the world into  
which they are born," he said.The future of Alberta, he de-  
clared, hangs on the success achieved  
by educational institutions in giving  
youth the skill with which to solve  
the problems of the future and  
more important, the wisdom to use  
that skill and the knowledge of  
what is the right end to seek."In the end," said Sir Edward,  
"the fate of the human race will  
not be decided in legislatures nor in  
the meetings of learned societies.  
It will be settled by two thousand  
million individuals, each of whom,  
in his own life, affects the life of  
every other."

## EACH HAS CHARACTERISTICS

Whatever the political and eco-  
nomic arguments for or againstdivision of the Prairies into Mani-  
toba, Saskatchewan and Alberta,  
there were reasons for feeling that  
it was not unwise in intent, said Sir  
Edward. Each province, he declared,  
had its own characteristics."For this reason, whatever may  
be the economic and political fate  
of Western Canada, I think that  
we shall never regret the establish-  
ment in it of three great centres of  
learning and research," he added.In the field of education and cul-  
ture, the people of Western Canada  
long ago decided on standards as  
high as those of any community in  
the world, said Sir Edward. "There  
is no doubt of their ability to reach  
or maintain those standards," he  
said.

## TASK BIGGER THAN EVER

Sir Edward said he believed the  
improvement of technique and in-  
crease of production were in their  
infancy, and the task and the re-  
sultant gains for trained men and  
women were greater now than fifty  
years ago.Much was being said nowadays of  
social justice, but it was astonishing  
how difficult it was to define it,  
said Sir Edward. Justice was not  
a simple concept. It might be just  
to distribute wealth, but in the at-  
tempt to accomplish this, care had  
to be taken not to kill "the very  
springs of wealth" and produce  
misery instead.Assistant Director to

partment of Education.Late Mrs. Fessenden  
Founded Empire DayIn every part of the British Em-  
pire, in the month of May, Empire  
Day is celebrated by millions of  
school children. This day, set apart  
for patriotic observances, was found-  
ed forty years ago by a Daughter  
of the Empire—the late Mrs.  
Clementina Fessenden. In Canada  
the day is observed on the last  
school day preceding May 24, but in  
other parts of the Empire, where  
Victoria Day is not regarded as a  
public holiday, it is held on May 24.  
The Daughters of the Empire  
some years ago erected a tablet in  
St. John's Church, Ancaster, in  
memory of Mrs. Fessenden, in which  
church her husband was rector for  
many years. This tablet bears the  
simple inscription: "In memory of

Clementina Fessenden, founder of  
Empire Day, 1879. Erected by the  
Imperial Order Daughters of the  
Empire.Mrs. Fessenden devoted her time  
and her means to forwarding this  
Empire idea, and before her death,  
in 1918, she had the satisfaction of  
knowing that her efforts had suc-  
ceeded beyond her most sanguine  
expectations, not only in Canada,  
but throughout the Empire, England  
and the other dominions and  
colonies owe the development of the  
Empire Day idea to the last Lord  
Meath, who seven years after it was  
begun in Canada began a campaign  
for the purpose. He spent much of  
her own fortune in traveling, speak-  
ing and writing on the subject, with  
the result that more than ten million  
children, attending more than 70,000  
schools in the Empire, take part in  
this patriotic observance. The idea  
is to awaken in the children a love  
of country, to remind them of what  
they owe to those who gave their  
lives for King and country, and to  
stimulate imperial co-operation.

## GOES TO TRIAL FOR ROBBERY AT CASTLE

ASHFORD, England, May 13 (AP).—George Owen, thirty-eight, accused "with other persons not in custody" of breaking into Sir Edmund Davis' Kentish castle and of receiving two paintings from a £100,000 (\$500,000) burglary April 23, was committed to trial today on the latter charge.

Scotland Yard detectives recovered two of the five paintings stolen.

## PREMIER WILL JOIN CAMPAIGN

Government Leader Is to Speak Twice in Dewdney Riding

Premier Pattullo left for Dewdney last evening to lead the Government's campaign in the provincial by-election, in person. Today he will speak at Agassiz, and on Monday at Mission, in defence of the policies of the Liberal Administration.

Elections in the riding will go to the polls on Friday, May 20, with official nominations for the seat to be held on Monday. Revision of the voters' list was said at the Legislative Buildings to have added 1,200 names to the existing register, now containing in the neighborhood of 7,200 names.

Government speakers in the riding have concentrated most of their efforts on local issues, leaving major policies to be touched on by the Premier. Improved road connection for Dewdney has been mentioned.

## SURROUNDED BY JAPANESE CIRCLE

Continued from Page 1

six weeks ago at Taiherwang. There Japan's offensive collapsed under the most crushing defeat of a modern Japanese army.

Chinese were counter-attacking desperately at Mengcheng, seventy-five miles south of the Japanese vanguard at Tangcheng, in an attempt to break the Japanese lines.

**LOSS ADMITTED**  
They admitted loss of Mengcheng, now far behind the Japanese front, after the city's walls were demolished in a three-day attack by Japanese planes, tanks and heavy guns.

With Japanese in possession of Amoy, seaport 600 miles south of Shanghai, Chinese expected Japanese naval attacks against Foochow, Swatow and other southern coastal cities in an attempt to draw Chinese forces from the main front.

Unconfirmed Chinese reports said Japanese warships were concentrating in the mouth of the Min River, off Foochow, main port of Fukien Province, and off Swatow, important Kwangtung Province port. A Japanese naval spokesman, however, denied there had been any attacks.

## IN SOUTH CHINA

**POOCHOW, China, May 14 (AP).**—Under cover of a furious airplane and naval attack Japanese troops landed today near the mouth of the Min River, gateway to this South China city.

This was the second Japanese attack on the Fukien Province coast within a week, the other being at Amoy, which now is under Japanese control.

The size of the landing force could not be determined. Debris of the bombs and shells were audible in Foochow, indicating that both planes and warships were attacking. The landing was reported to have been made ten miles south of the Min River's mouth.

## KEPT AT LAST

The business man had died and gone to—well, not heaven. But hardly had he settled down for a nice long smoke when a hearty hand slapped him on the back, and into his ear boomed the voice of a persistent salesman who had pestered him much on earth.

"Well, Mr. Smith," chortled the salesman, "I'm here for the appointment."  
"Why don't you remember?" the salesman went on. "Every time I came into your office you told me you'd see me here."

## City and District

**Examine Tenders**—Tenders to supply a tower truck have been examined by the City Council street lighting committee and referred to the city electrician for a report.

**Invitation Received**—An invitation to attend the Esquimalt school sports, to be held at Bullen Park on May 23, at 2 p.m. was received by the Saanich Council Thursday night.

**Seek Grant**—In a letter to the City Council, the Victoria City Schools Sport Association has asked for a grant of \$200 to assist with the annual track and field meet at the Willows Park on May 23.

**Car Stolen**—Police are continuing a search for a fawn-colored Jewett touring car number 12-688, stolen from Thomas Hammond, 2717 Avebury Avenue, on Thursday night.

**Name Omitted**—Alan S. Drummond, 1149 Hilda Street, passed his examinations in second year science, at the University of British Columbia.

**Seeks Election**—W. A. Kettle, unsuccessful candidate for the Saanich School Board at the election in January, announced yesterday that he would contest the by-election to be held on May 21.

**Begin Work Soon**—Improvement of the storm sewer on Crescent Road, between Irving and Poul Bay Roads, will be commenced soon by the city engineer's department. The sum of \$2,189 for the project is contained in the city estimates.

**Crashes Into Fence**—A car police said was driven by Mrs. M. Stelle, 516 Burnside Road, crashed into a fence on the Gorge Road last night, causing \$15 damage to the automobile and slight damage to the fence. Mrs. Stelle was uninjured.

**School Sports**—Mayor Andrew McGavin and the City Council have received an official invitation to attend the twelfth annual Esquimalt school sports at the Bullen Memorial Park on May 23 at 2 o'clock in the afternoon.

**Member in City**—R. W. Bruhn, M.P.P., was in the city yesterday from Salmon Arm, in the course of a brief business visit to the Coast. He reported considerable mining activity at Interior points of the province.

**Replacement Made**—The resignation of T. J. Goodlake from the Zoning Appeal Board of Oak Bay, due to the fact that he will be leaving the municipality shortly, was accepted by the council Thursday evening. E. W. Paitson was appointed to replace him.

**Student's Success**—Howard G. Hipkin, a former Victoria College student, and now at the University of British Columbia, passed his applied science second-year tests with honors. His name was omitted from the list of examination results recently published.

**Harbor Survey**—Federal Department of Public Works engineers are conducting a survey of sites in the Inner Harbor for a fishermen's flat, planned last year by the City Council. The council favors a location on the southeast side of the Johnson Street Bridge.

**Fishing Good**—According to information reaching the Victoria and Island Publicity Bureau from Sprout Lake, trolling is good there at this time. Steelheads have been taken in the Stamp River and at Sprout Falls, the condition of the water being ideal.

**Motorists Convicted**—For driving to the common danger, a motorist was fined \$20 in the Saanich police court Thursday. Another driver was fined \$10, or in default three days, for failing to have a carrier's license, while another motorist paid \$5 for failure to produce a current year's driver's licence.

**Complaints Made**—Police have investigated complaints that quantities of rubbish were being dumped on C.M.R. property near Point Ellice Bridge and along Tye Road. The disposal of dry material only is permitted at the slough adjacent to the E. & N. Railway and the Johnson Street extension.

**Plan Celebration**—At a meeting of the City Council celebration committee yesterday afternoon, July 1 plans for an event to include massed choirs and march past of uniformed men were discussed with Major M. W. Turner, of Military District No. 11. Major Turner suggested the committee defer plans for a naval and military tattoo until next year.

**College Examinations**—In the recent announcement of the results of the April examinations at Victoria College, the name of Edward G. Robbins was omitted. Mr. Robbins obtained the following standing: English 1b, passed; French 1, passed; mathematics 1c, second class; history 1, second class.

**Gas Installations**—A by-law will be prepared by the Oak Bay Council regulating gas stove installations in

**Seven Fined**—Two motorists who pleaded guilty to charges of parking over the hour limit were each fined \$2.50 by Magistrate Henry C. Hall in the city police court yesterday morning. A third motorist was fined \$10 for exceeding the speed limit. A fourth was fined \$5 for failing to have adequate brakes on his vehicle. A fifth paid \$5 for passing a stop sign. Two others were each fined \$2.50 for not parking their automobiles within twelve inches of street curb.

## SAYS LINE HAS BRIGHT FUTURE

Hon. T. A. Crerar Confident Bay Railway Will Prove Of Great Value

OTTAWA, May 13 (AP).—The Hudson Bay Railway will prove one of the great developments and trade routes of the future, Hon. T. A. Crerar predicted today in the House of Commons.

He made his prophecy while the House was passing an appropriation of \$730,000 to cover operating deficit on the railway linking The Pas, Man., with the Port of Churchill on Hudson Bay. Hon. W. R. Motherwell (Liberal, Melville), E. E. Perley (Conservative, Qu'Appelle) and W. J. Ward (Liberal, Dauphin) agreed with him.

Only one vessel brought a general cargo into Churchill last year and two carried outgoing wheat, the Minister of Resources said. One of the reasons for the small volume of wheat moved over the Far Northern route was the premium of 25 or 30 cents for cash wheat, traders declining to ship their wheat where it could not be moved to market quickly.

Mr. Crerar referred to the mining development in Northern Manitoba in the last eight years which he attributed in part to the building of the H.B.R.

J. S. Woodsworth, C.C.F. leader, asked if the Minister was confident of the future of the road.

"I have never had any doubt of it," Mr. Crerar replied, "and I have never been more certain of it than I am at the moment. That route will develop. The time will come when it will be one of the great trade and development routes of Canada."

**Wandering Stock**—Supporting a petition signed by thirty-two ratepayers of the area between Forrester and Newton Streets and Poul Bay Road and Richmond Road, a delegation waited upon the Saanich Council Thursday night to voice a complaint against the action of a dairy farmer in allowing thirty cows to run wild at night and graze at large on vacant lots. The council promised action to put a stop to the nuisance, and referred the matter for the police commission.

Statement from Mayor Andrew McGavin Describes How Each Tax Dollar Is Spent

A circular from Mayor Andrew McGavin, describing how the taxpayer's dollar is spent, is being sent out with each current tax notice mailed from the City Hall.

The levy of 42 mills is made up of 19.8483 mills for general purposes; 10.7107 mills for interest on debt, and 11.4410 mills for schools.

In splitting up each dollar, 47.26 you off with a wing collar.

Schools represent 27.24 cents, and the interest on debt, 25.5 cents. Mayor McGavin's statement pointed out that taxes had been reduced 8 per cent during the past two years, and he was confident the city would again be able to balance its budget.

Aviator (entering clothes store)—"I'd like some flying clothes." Bright Clerk—"O.K. We'll start."

## CHOOSE YOUR SPOTS

... One of the important features of newspaper advertising is its flexibility. You can "choose your spots" to parallel your points of distribution. Naturally, you don't want to advertise where your goods are not for sale. But whether you have complete distribution throughout Canada or in only certain centres, the local daily newspapers can carry your sales messages effectively and economically to those people whom you are anxious to reach.

This advertisement was prepared for the Canadian Daily Newspapers Association by Consolidated Advertising Service Limited.

## Concert Is Presented By Juniors

An entertaining programme was given at the concert arranged last night by the Royal Junior Chapter, I.O.E., before an appreciative audience which filled the Bishop Cridge Memorial Hall.

Two plays were presented under the direction of Joy Savage. The parts were well cast, and some clever acting was produced by the young artists. The first play was a comedietta entitled "Snowed Up With the Duchess," in which the roles were taken by Betty Cottet, Georgina Dowdall, Joy Savage and Davina Dingwall. "Seeing the World" was the comedy in which Estelle Macdougall, Joyce Harvey, Lucy Huxley, Julia Kent-Jones and Violet Harrison took part.

A piano duet, "Two Spanish Dances" (Moskowsky), played by Aimee Heddle and Margo Hughes, opened the programme. Vocal solos were sung by June Dewar, accompanied by Gwen Dewar, and her selections included "Charming Chloe" and "When I Was Seven." "The Crooner and We Folk" was sung by Gwen Peacock, accompanied by Evelyn Pepper, and Ruby Webster sang "Where the Bee Sucks" and "The Lass of Richmond Hill." Peggy Murray and Edna Holdridge delighted the guests in singing a duet, "Whispering Hope."

A violin solo, "Blue Danube Waltz" (Strauss) was played by Julia Kent-Jones, who later in the evening recited "There Was a Frog" and "The Wife Hunt." Pianoforte selections were played by Joan Gill, her num-

## Reports of V.O.N. Show Busy Month

The monthly meeting of the V.O.N. board was held on Tuesday at the home of the president, Miss Fitz Gibbon, St. Charles Street. The next month's meeting will take place June 14 and will be the last before the summer holidays. The president is making a special appeal to every member of the board to be present, when final plans for the budget and other important matters will be settled.

Miss Creaser introduced Miss Isobel Black, B.Sc., who has been transferred from the Winnipeg nursing staff to the local staff. Miss Black is a graduate of the University Hospital, Edmonton, and of the University of British Columbia, Public Health.

The following work was reported for the month of April: 980 visits to 192 new patients, including 56 visits to pre-natal, 20 visits to obstetrics and infants, 140 visits to post-natal and infants, 144 visits to communicable, 29 visits to cancer cases, 82 visits to chronic cases, 175 others, 334 instructive, and 668 visits were free.

Four well-baby clinics were held, with a total attendance of ninety-eight babies. Four pre-natal sewing classes were attended by thirty-eight mothers. These classes are to be discontinued for the summer months after May 31.

Mother (doing a cross-word puzzle): "Give me the name of a motor that starts with 'T'." Father (fed up): "Don't be assured, my dear. They all use gas."

The May meeting of the First United W.M.S. will be held Monday at 2:45 p.m. in the school hall. The programme will be in charge of Mrs. W. G. Wilson. All ladies of the congregation are invited to attend.

## Catholic League

The Victoria Subdivision of the Catholic Women's League will hold a membership and silver tea on Wednesday from 3 to 6 p.m., at the home of Mrs. J. D. Kinsinger, 1110 Fairfield Road. Members are invited to bring their friends.

## Library for Hospital Is Progressing

Further plans for a library in the St. Joseph's Hospital were discussed at the monthly meeting of the Senior Branch of the Women's Auxiliary to the St. Joseph's Hospital held yesterday afternoon, with Mrs. Frank Sehl, president, in the chair. It was suggested that a book shower be held jointly by the senior and junior auxiliaries and further details will be decided at a later meeting. Sister Superior announced that a room for the library had been set aside and included shelves for books.

The Fall bazaar was discussed and several conveners appointed to commence arrangements. The nomination of officers was received and the election will take place at the next meeting of the auxiliary, to be held on Friday, June 24.

The sewing convener, Mrs. Llewellyn Jones, announced 554 articles completed during the month and 2,494 sponges made.

## HOSPITAL IS VISITED

NANAIMO, May 13 — National Hospital Day to commemorate the birth of Florence Nightingale, of Crimean War fame, was celebrated at the Nanaimo hospital with a record crowd of visitors making a tour of inspection. Afternoon tea was served by a committee in charge of Mrs. N. McParlane.

Mrs. Digby Hardy, matron, and Mrs. Joseph Nicholls, president of the Women's Auxiliary, received the many guests.

## Home Frock or House Coat

MADE WITH SAME PATTERN

Here is an attractive wrap-around house frock with pretty feminine details. You can also wear it over your dress as an apron. . . . A complete overall. The adjustable belt gives you a slim waistline. It's especially nice to slip into for garden work or for morning porch wear. Another interesting thing about it is that it opens out flat for ironing. With the same pattern, you can make a house coat in full length which would be smart in dotted cotton print. You'll love to breakfast in it or to slip it on to relax before dinner after a busy day in town. The moderate price will make you decide to make both versions.

Style No. 3065 is designed for sizes 14, 16, 18, 20 years; 22, 24, 26, 28, 30 and 32 inches bust. Size 36 requires 4 1/2 yards of 35-inch material with 4 yards of ric rac edging.

## HOW YOU CAN ATTRACT MEN

Of course, you have no men friends if you've left yourself become dull, cross, and nervous. Men like lively, peppy girls—girls with plenty of energy to go places and enjoy life. Don't let love and romance pass you by. Help build up your pep and you, too, should have gay friends. Here's good advice: Start taking time-proven, reliable Lydia E. Pinkham's Vegetable Compound and note the difference. This famous Compound, made especially for women from wholesome herbs and roots, helps Nature tone up your system and thus soothes jumpy nerves and gives you more pep to really enjoy life. Tear out this notice NOW as a reminder to get a bottle of Lydia E. Pinkham's Vegetable Compound TO-DAY without fail. For over 60 years one woman has told another how to go "smiling" through distress from female functional disorders with Pinkham's Compound. Let it help YOU.

## Women Conservatives

The Victoria Women's Conservative Association held its monthly business meeting on Thursday evening with Mrs. S. R. Bowden, president, in the chair. Members stood in silent tribute to the memory of Mrs. W. D. Herridge. Reports from the secretary and treasurer were read and adopted, and reports were also heard from standing committees. Mrs. William Paget kindly offered her home for a card and tea party on May 26. Further particulars will be announced later.

## Britannia W.A.

The W.A. to Britannia Branch No. 7, Canadian Legion, held a successful card party in the clubrooms on Thursday evening. Court whist was played and the prizes were won by Mrs. A. E. Sweeney, Mr. L. Impey, Mrs. C. Boise and Mrs. H. Parker. Refreshments were served under the convener'ship of Mrs. L. Quintance.

## Wahine Club

The regular meeting of the Wahine Club was held at the home of the president, Mrs. Frank Hall, Menzies Street, on Thursday. During the evening the retiring president, Mrs. Harold Neff, received a silver casserole from the members in appreciation of her work during her term of office.

## Sooke Pupils Give Concert

A concert was presented in Sooke Hall, before a capacity audience, on Thursday evening, by students of Sooke Superior School, under the direction of their teachers, Principal W. J. Orchard, Mrs. A. M. Acreman and Miss Florence Horne.

The children performed remarkably well, being heard distinctly and showing careful training. Trustee C. Thomson was chairman. Mr. Orchard expressed thanks to all who had helped make the event a success, including parents who had assisted in making the costumes.

The proceeds were in aid of the school library, to which the Sooke and North Sooke Women's Institute has already made a donation.

The programme included a play by the pupils of Division III, entitled

## Social and Personal Queen Attends Wedding of Her Niece

### Golden Wedding

The golden wedding of Mr. and Mrs. George Penketh was celebrated yesterday afternoon and evening at the residence of their son-in-law and daughter, Mr. and Mrs. J. V. Johnson, Bowker Avenue, when they were "at home" to their friends. Mrs. Johnson, Mrs. J. K. Lawson and Mrs. T. A. Penketh assisted Mr. and Mrs. Penketh in receiving. The rooms were lovely with yellow and gold flowers and the table was arranged with a silver basket of antirrhinum and tulips in shades of gold and the two-tier wedding cake. Mrs. J. K. Lawson poured tea, and assisting in serving during the day were Mrs. S. Winterbottom, Miss Doreen Penketh, Miss Audrey Porter, Mrs. E. G. Rowbottom, Misses Phyllis and Muriel Winterbottom, E. Reed and Dorothy Jeeves.

### "Big Apple" Dance

The intricacies of the "Big Apple" were mastered by a gay crowd of dancers at the Major John Hobden Gillespie Chapter, I.O.D.E., dance held last evening at the Brentwood Badminton Hall, when Len and Zoe Wagstaff instructed 200 "pupils" who showed remarkable aptitude in following their instructors. As a preliminary to the instruction, Len and Zoe gave a very finished demonstration of the dance itself, which brought forth enthusiastic applause from the spectators. The hall was decorated with flowers and the buffet supper tables looked very attractive. The success of the affair was largely due to the efforts of the committee which comprised the regent, Mrs. Peter W. Bell; Miss Rhoda Clark, general convener; Mrs. Ian Douglas, Mrs. Martin Ellis and Mrs. G. Ronald Newell.

### At Empress Hotel

Among the visitors to Victoria who registered at the Empress Hotel yesterday were: Mr. and Mrs. C. J. Fowles, Calgary; Mr. and Mrs. F. H. Russell, Norman Leach, A. J. Roden, H. L. Lucan, Toronto; Mr. and Mrs. W. C. Burpe, Montreal; Mrs. D. R. Cameron, Washington, D.C.; Mr. and Mrs. P. A. Anderson, Mrs. P. Regan, Mrs. J. Erlanger, General and Mrs. J. P. Tracy, Col. and Mrs. F. H. Lincoln, San Fran-

cisco; Mrs. Nat Brown, Jr., Stockton, Cal.; Miss M. Watson, Miss L. Beale, Portland; Miss Ruth Green, Mr. and Mrs. A. A. Gray, Dr. and Mrs. F. B. Joy, Seattle; Miss Katherine Brutenbach, Los Angeles; Raymond E. Lapean and A. A. Lindgren, New York City.

### Christening Ceremony

The infant daughter of Mr. and Mrs. William Colin Lowery, 316 Douglas Street, was baptized this week at Christ Church Cathedral, Very Rev. S. H. Elliott, Dean of Columbia, officiating. The child received the names, Joy Colleen Ethel, and the godparents include Mr. and Mrs. Ralph Birtwistle and the child's mother. Following the ceremony, an informal reception was held at the home of the baby's parents. The guests included Mr. and Mrs. Ralph Birtwistle and Adrian, Mr. and Mrs. Charles Clarke, Mrs. W. Monahan, Mrs. Arthur Clarke, Miss Margaret Baldwin, Miss Nona Butts, Miss Muriel Clarke, Miss Doris Bracher and little Carol Lowery.

### Y.M.C.A. Dance

The delightful dance given last night at the Crystal Garden under the auspices of the Y.M.C.A. Swimming Club drew over 200 sport enthusiasts and their friends. The dance was given to help raise funds to send a swimming team to compete in the Canadian championships at Kelowna this summer. The affair was ably convened under the chairmanship of Mr. R. Doherty and a strong committee of men and women. Special guests included Messrs. Lynn and "Muzz" Patrick and Doug and "Torchy" Peden. A good programme of music was played until 1 o'clock this morning.

### Wedding Anniversary

On the occasion of the twentieth anniversary of their wedding, Mr. and Mrs. P. Stacey, Snowdrop Avenue, entertained a number of their friends on Wednesday evening. Cards and singing were enjoyed and during the evening Mr. and Mrs. Stacey were presented with a gift of silver. Those present included: Mr. and Mrs. King, Mr. and Mrs. J. Alexander, Mr. and Mrs. Wilkinson, Mr. and Mrs. F. Gilson, Mr. and Mrs. J. S. Humphries, Mr. and Mrs. McLeod, Mr. and Mrs. A. P. Fryatt,

A Happy, Informal Picture of the Royal Family Arriving at St. Margaret's, Westminster, for the Wedding of the Queen's Niece, Miss Anne Bowes-Lyon, and Lord Anson. Princess Elizabeth is on the Right and Princess Margaret is Between Her and King George, But Cannot Be Seen in the Picture.

Mr. and Mrs. D. Reid, Mrs. Hunt, Nonie Mann and Norma and Joyce Stacey.

### Surprise Dinner

At the home of Mrs. L. Hafer, Central Saanich Road, a surprise dinner was given on Tuesday for Mrs. Hafer by her children in honor of her birthday. Mrs. Hafer received many beautiful gifts. The guests were Mr. and Mrs. W. Friker, Mr. and Mrs. L. Eberts, Mr. and Mrs. L. Gould, Mr. and Mrs. L. Hafer, Mr. and Mrs. A. Hafer, Misses Florence Hafer, Jean Eberts, Norene Friker, Messrs. George Hafer, Walter Friker, Arthur and Lewis Hafer, Albert and Rodney Hafer.

### On World Trip

Mr. H. G. Goddard has arrived from London, and is staying at the Empress Hotel while visiting his brother-in-law and sister, Captain and Mrs. Gordon Evans, Cathay Apartment Hotel. Mr. Goddard is making a business trip around the world and this is his second visit to the city. Mr. Goddard will leave next week for Seattle, traveling across the United States and stopping off in the principal cities en route home.

### Entertains at Tea

Mrs. Herbert J. Pendray entertained at tea yesterday afternoon at "Havenwood," her home on Esqui-

mal Lagoon. The guests were past and present members of the executive of the Women's Canadian Club. Mrs. H. L. Campbell and Mrs. S. J. Willis presided over the table, which was centred by a crystal bowl of Spring flowers. The beautiful garden and the aviaries were of particular interest to the guests.

### Returns From U.B.C.

Mr. George Gregory, who received his degree of Bachelor of Arts at the University of British Columbia, returned to his home on Craigdarroch Road yesterday afternoon. His mother, Mrs. F. B. Gregory, went over to the Mainland for the convocation. Her niece, Miss Barbara Winslow, who is in Vancouver on her way home from McGill University, was also present. Miss Winslow will return home tomorrow.

### Hostess at Tea

Mrs. P. McLoughlin, Hampshire Road, entertained a number of friends at tea yesterday.

### Visitor From Vancouver

Mrs. Z. Taylor Wood, Vancouver, is visiting Mrs. David Doig, Lansdowne Road.

"To what do you attribute your great age?" asked the city visitor of Grandpa Eben Hoskins. "I can't say yet," answered Grandpa, cautiously. "There's several of those testimonial fellows a-dickering with me."

## Address by F.W. Laing Of Interest

F. W. Laing, who recently retired from the Department of Agriculture of the Provincial Government, was the speaker at a meeting of the Liberal Women's Forum yesterday afternoon, in the Liberal headquarters, Government and Broughton Streets. His subject was one upon which few British Columbians are better able to speak, and dealt with pioneers of this province in the district from Hope to Shuswap Lake.

Mr. Laing's address was of particular interest, as he made use of a large map on which the early settlements were marked, and these were of great help to the members of the audience who were not altogether familiar with the province.

### ROUTES TO THE SEA

He recounted a number of amusing incidents in the lives of the pioneer settlers and told of the manner in which much of their property was acquired. It was after these early settlers that many of the British Columbia rivers and streams were named. A great deal of land had been preempted at the head of the Coast inlets in the early days, Mr. Laing pointed out, explaining that the reason for this was that it was hoped that routes would be built from the Cariboo and Chilcotin districts directly westward to the sea. Mrs. F. J. Mitchell, president of the forum, in thanking the speaker, expressed the hope that he would return to give another talk on the same subject, as time had permitted only a sketchy introduction to an almost inexhaustible subject.

The meeting expressed approval of the steps taken in the matter of the proposed cancer clinics and promised its sympathetic support. Three new members, Mrs. F. H. Cole, Mrs. Mark and Mrs. Ingleston, were welcomed.

### SILVER TEA PLANNED

It was announced that a silver tea would be held at the home of Mrs. John Hart, Fairfield Road, on Wednesday, June 1, from 3 to 6 o'clock. Mrs. J. H. Grant was the soloist, her numbers being "In the Garden of Tomorrow" and "Passing By." Mrs. Bertucci playing the accompaniment.

Tea was served under the direction of Mrs. J. L. White, the table being attractively arranged with pink tulips and lilac, with flower tapers of the same shades. Mrs. H. W. Davey and Mrs. Arthur Cox presided.

### WOMEN'S INSTITUTES

#### ROYAL OAK

The monthly meeting of the Royal Oak Institute was held in the Community Hall on Thursday afternoon, with Miss K. Oldfield presiding. One new member and several visitors from the Strawberry Vale W.I. were welcomed. The treasurer, Miss Eva Phillips, reported on the success of the flower show from the financial standpoint, and Miss K. Oldfield thanked all who had assisted, and expressed pleasure that Dr. E. Cora Hind had been a visitor on that day. In the display which was entered in the horticultural show held recently in Victoria, the institute exhibit won second prize, and thanks were expressed to Mrs. H. C. Oldfield, the convener, and all who assisted with the display. Any person with a gramophone not in use, who would be willing to donate it to the Royal Oak School, is asked to communicate with Mrs. F. Reeves, of the school committee. Mrs. L. Martin, who will commence a class in pottery in the institute rooms on

Thursday, was introduced by Mrs. A. P. Hobbs. It was decided that this institute would co-operate with the Local Council of Women in their efforts to collect funds for the diagnosis and control and treatment of cancer. Reports were heard from Mrs. Mead-Robins, of the sick, visiting and welcome committee; Mrs. H. Thompson, of the agriculture committee, and Mrs. A. P. Hobbs, of the arts and crafts committee. Dr. Olga Jardine, the guest speaker, gave a constructive address on "The Beginning of Home Economics in New Zealand," and "Food Preparation." She was presented later with a corsage bouquet of roses and violets. Recipe books were distributed by Miss Pat Hutchinson. Refreshments were served at the close of the meeting by members of the publicity committee, Miss Oldfield, Mrs. Brown and Miss E. Phillips.

### BRENTWOOD

The Brentwood Institute held its monthly meeting at the Institute Hall, Brentwood Bay, on Tuesday afternoon. Mrs. M. Atkins presided. The Mount Newton High School pupils will repeat their annual concert at the Women's Institute Hall, Brentwood Bay, on Friday, May 20. The institute members will serve supper, and a dance will follow. Mrs. W. Watt and Mrs. F. D. Corry will be the conveners, and Mrs. M. Atkins and Mrs. George Bickford will be in charge of the door. Arrangements were made for the members to have a trip around the Gulf Islands, the date to be set at the next meeting. Mrs. H. Haddon and Mrs. J. Roberts will hold a bridge party on May 30 in aid of the institute funds. On Monday afternoon, Mrs. G. Bickford and Mrs. M. Atkins held a bridge party at the Institute Hall in aid of the institute funds. Seven tables were in play, the winners being: First, Mrs. H. Andrew; second, Mrs. Valcott, and third, Mrs. S. Moody. Tea was served by the hostesses.

### Banquet Precedes Installation of Native Daughters

The Native Daughters of British Columbia Post No. 3, celebrated the annual installation ceremonies with a banquet held on Wednesday in the K. of C. Hall. The decorations were in the club colors; a bowl of yellow tulips, narcissus and white lilac centred the table, while yellow tulips in silver vases carried out the color scheme at the ends and side-tables. Each place-card had an attached colonial bouquet.

Later in the evening the regular meeting was held. Before retiring from office, the chief factor, Mrs. J. Brown, thanked all officers and members for their support during the past year and presented a lovely bouquet of yellow and white tulips to the chief factor-elect. All officers were installed during the evening with impressive ceremonies; Miss L. Smethurst acting as installing officer and Mrs. T. P. Waters and Mrs. J. Lorimer as deputies. Upon being installed in office as chief factor, Mrs. R. G. Creech thanked the members for the honor conferred upon her, and in compliment to the retiring chief factor, presented her with a beautiful bouquet of rose and mauve snapdragons, sweet peas and stocks.

### PRESENTATION MADE

Another pleasing ceremony took place when the past chief factor, Miss E. Neelands, presented Mrs. C. Davies with a past chief factor's pin, and was thanked by Mrs. C. Davies for the much-prized emblem.

The annual picnic to be held on June 11 was planned and final details will be left with the following committee: Mrs. J. Lorimer, Mrs. W. Hartnell, Mrs. J. C. Newbury, Miss E. Neelands and Mrs. R. G. Creech.

The attendance prize was won

by Mrs. M. Grant, and the special prize by Mrs. T. P. Waters. At the next meeting in June, the new password will be given to all members in good standing.

## Yacht Club Celebrates With Dance

The Commodore and officers of the Royal Victoria Yacht Club welcomed about 150 members and their friends at the club's twenty-fifth anniversary ball last evening. The clubhouse had been beautifully decorated for the occasion with a profusion of Spring flowers, the club colors, red and white, being carried out in the tulips which predominated in the decoration of the ballroom and supper room.

About the walls and on the verandah code flags added color to the already gay scene and a popular orchestra was in attendance. A feature of the programme was a tap dance in which Misses Thelma Ackerman, Edith Adams, Ruth Hamersley and Ivy Brown took part, wearing costumes appropriate to the occasion.

Several out-of-town members of the club were present and special invitations were extended to His Honor the Lieutenant-Governor and Mrs. Hamber, the Premier and Mrs. T. D. Pattullo, the Mayor and Mrs. Andrew McGavin, the Reeve of Oak Bay and Mrs. R. R. Taylor and the commanding officer and officers of H.M.C. ships at Esquimalt.

During the evening, the Commodore of the club, E. P. Ashe, spoke a few words of welcome to the guests, referring briefly to the history of the club since its formation twenty-five years ago and drew the members' attention to the opening of the 1938 racing season today.

The committee in charge of the dance arrangements included Mr. and Mrs. R. M. Young, Miss Dorothy Ganner and Mr. Jack Gann.

1/2 teaspoon almond extract  
2 tablespoons corn starch

Beat whites of eggs until very stiff, then add sugar and Rogers' Golden Syrup gradually, beating all the time. Beat in corn starch mixed with coconut and steam in a double boiler for about 15 minutes. Add flavorings and drop by spoonfuls on to embossed brown paper and bake in a slow oven to a delicate brown.

**MAYFAIR NEEDLE-ART—DESIGN NO. 319**  
Needlework departments everywhere are full of fascinating new yarns for Summer costumes and knit costumes are even more popular than ever before. Little wonder this is so, for women have become experts at fashioning their own knit garments and have learned that nothing answers so many problems, both for town and country wear. This smart two-piece may be made with short or long sleeves, as you prefer. Simple yet novel openwork trims the front of the blouse which has a deep, buttoned closing at the centre front and plain neckband. The original garment was made of lemon yellow yarn, but any color, either dark or light, will be equally smart. This pattern is available in sizes 12, 14, 16, 18 and 20. Each pattern includes a tissue pattern for blocking the garment after it is knit, easy-to-follow working instructions without abbreviations, and an assembling chart.

## Victoria Student Wrongly Classed

VANCOUVER, May 13 (P.H.)—W. Leckie-Ewing, of Victoria, student in the fourth year of mining engineering at the University of British Columbia, received first-class honors in Spring examinations, the university said in an announcement today. Previous examination results re-

leased by the university on Wednesday showed Leckie-Ewing had received second-class honors.

## KILLED AT PRACTICE

PULLMAN, Wash., May 13 (P.H.)—A bullet wound in the temple while at target practice in the Washington State College fieldhouse, was fatal today to Captain Harry O. Tunis, fifty-six, senior engineering instructor and assistant professor in military science.

## What Today Means

### "TAURUS"

If May 14 is your birthday the best hours for you on this date are from 9:15 to 11:15 a.m.; from 3:15 to 5:15 p.m., and from 9:15 to 11:15 p.m. The danger periods are from 7:15 to 9:15 a.m.; from 5:15 to 7:15 p.m., and from 11:15 p.m. until midnight.

To avoid seeing people you do not want to may prove difficult this day. Any form of excuse is in danger of being questioned, so be sure that you offer logical ones. You might find it decidedly hard to fool the average person, for the faculties will be unusually alert. Intuition will prevent many accidents this day. Anticipating trouble will be foolish, for the chances are that it will not occur. It will pay to be deliberate in all of your movements because careless or hasty ones are

liable to be dangerous. Be careful with whom you match your wits, for your opponent's power of perception is likely to be decidedly embarrassing. Married and engaged couples, and those who are still keeping secret their hope of matrimony, will be wise to study the mood their beloved one is in this day, and to endeavor to do nothing contrary to it. If a woman and May 14 is your birthday, you ought to avoid manerisms and any kind of affectation. Do not concern yourself too much

about other people's problems, for you may find it good judgment to let them work out their own salvation. You frequently may do things that are quite unnecessary. You are apt to use a superfluous number of words in conveying oral or written ideas, unless you are careful. Through teaching, preaching, lecturing, writing, painting, singing or selling you may not only make money, but establish a fine reputation.

# Churches and Their World-Wide Work

## SERMONS BEFIT YOUTH SUNDAY

Christ Church Cathedral to Join in Observing Empire-Wide Service

The customary services will be held at Christ Church Cathedral tomorrow, with celebrations of the Holy Communion at 8 a.m., 8 a.m., and after Matins at 12:15 p.m. There will be the monthly children's Eucharist at 9:40 a.m.

At the morning service, members of the Cathedral Youth sections, and other young people, will be welcomed in observance of Empire Youth Sunday, which is being similarly observed throughout Canada and other parts of the Empire. The hymns have been chosen to express the aspirations of youth, and the Dean's sermon will be on the theme, "Not 'What Can I Get' but 'What Can I Give?'"

## REV. J. W. CHURCHILL AT CITY TEMPLE

Rev. J. W. Churchill will conduct the morning service in the Victoria City Temple on Sunday. The evening speaker will be G. A. A. Heben. Cliffe Forrester's anthem "Arising of the Light" will be the morning anthem. In the evening, "Lead, Kindly Light" (Dudley Buck) will be sung by the Temple Choir.

The sum of \$225,000 was set aside for the home and foreign work of the Presbyterian Church in Canada at the Spring meeting of the General Board of Missions in Toronto, according to the May issue of the Presbyterian Record.

Rev. Dr. W. A. Cameron, Central Church, Vancouver, was nominated as national secretary of home missions and Rev. A. A. Lowther, Jhansi, India, secretary for the foreign work.

## EMPIRE RALLY TO BE COMMEMORATED

Canon Chadwick and Rev. G. R. V. Bolster to Give Sermons Appropriate to Youth Sunday

This Sunday will be observed at St. John's Church as Empire Youth Sunday with appropriate services. There will be Holy Communion at 8 a.m., Morning Prayer and sermon at 11, and Evensong and sermon at 7:30 p.m.

At the 11 o'clock service the Sunday school and other youth organizations will attend, special prayers for the youth of the Empire will be offered, and the address will be given by Rev. Canon Chadwick. The Sunday school will assemble at 10:45 a.m. and march into the church.

In the evening the members of the Anglican Young People's Association and Senior Girls' Auxiliary are especially invited to attend. The sermon will be given by Rev. G. R. V. Bolster, and the music will include the anthem "Praise Ye the Father" (Gounod).

## APPEAL TO YOUTH TO BE PRESENTED

As this Lord's Day is recognized as Empire Youth Day throughout the British Empire, special services in commemoration of the event will be held at the Emmanuel Baptist Church.

At the morning service the pastor, Dr. Andrew S. Imrie, will preach on "Our Lord's Appeal to Youth." George H. E. Green, cornetist, will play "Jerusalem" (Parry). "Rejoicing Always" will be the subject of Dr. Imrie's evening sermon. Miss Ruth Shepherd will be guest soloist. The choir will render appropriate anthems at both morning and evening services.

"What Think Ye of Christ?" will be the theme of Samuel Walker Sloan's talk tomorrow morning at Victoria Truth Centre. George Farmer will sing "The King's Highway" (O'Hara).

In the evening the subject will be "Man the Unknown." Mrs. Ridgway will sing "Abide With Me" (Liddle).

## TO SPEAK HERE TWICE SUNDAY

Rev. H. J. Barney, Mainland Rector, Will Lecture for Liberal Catholics

Rev. H. J. Barney, rector of the Church of St. Raphael, Vancouver, will officiate and preach at both morning and evening services at the Church of St. George, Liberal Catholic, 1011 Government Street, on Sunday.

The services will be: at 11 a.m. celebration of the Holy Eucharist, and at 7:30 p.m. the Office of Compline, followed by Solemn Benediction.

On the following evening, Monday, May 16, Mr. Barney will give a public lecture in the lecture room at 1011 Government Street at 8 o'clock, the subject of which will be "Religion and Evolution," after which questions will be gladly answered by the lecturer, Mrs. Edith Gibson, Victoria, will play piano selections at 7:45 p.m.

Admission will be free. A collection will be taken to defray expenses.

## TO EXPLAIN NEW TESTAMENT TRUTH

"A Courtship by Proxy" is the title of a Gospel address to be given by George M. Landis, Fayetteville, Pa., on Sunday evening at 7:30 o'clock in the Oaklands Gospel Hall, Cedar Hill Road and Hillside Avenue. Mr. Landis will also address the young people's Bible class at 10 a.m.

The special series of studies on the subject of "Church Truth as Taught in the New Testament" will be continued during the week from Tuesday to Friday, inclusive, each evening at 8 o'clock. The needs of young Christians are kept in view, hence several blackboard charts and illustrations will be used to make the truth clear. Mr. Landis will take up and answer the following questions: "Should the church exercise discipline, and how?" "Do women have any place for service in the church?" "What is worship?" etc.

## CHURCH LEADER TO SPEAK HERE

Rev. C. Dickinson, Toronto, At Metropolitan—Morning, the Pastor

Rev. A. E. Whitehouse, who is attending the British Columbia Conference of the United Church in Vancouver, will return to Victoria to take charge of the services in Metropolitan United Church tomorrow.

At the morning worship, an Empire Service of Youth will be observed, by request of the National Council of Education, at which Mr. Whitehouse will speak. The Rainbow Sea Cadet Corps will be in attendance.

The Metropolitan choir will sing the anthem "Great and Marvelous" (Haydn), and Miss Winnifred Applegate will sing "The Lord's Prayer" (Mallotte).

The guest preacher for the evening service will be Rev. C. H. Dickinson, B.D., Toronto. Mr. Dickinson is head of the publishing interests of the United Church in Canada and is the representative from the General Council of the United Church to the various conferences in Western Canada. He is an outstanding preacher.

The choir will render the anthem "The Eternal God Is Our Refuge" (West). Percy Edmonds will sing "The Holy City" (Adams).

## To Compare Mortals and Immortals

"Mortals and Immortals" will be the subject of the lesson-sermon in all churches of Christ, Scientist, on Sunday. The golden text is: "As is the earthy, such are they also that are earthly; and as is the heavenly, such are they also that are heavenly" (I Cor. xv, 48).

Among the citations which comprise the lesson-sermon is the following from the Bible: "While we look not at the things which are seen, but at the things which are not seen; for the things which are seen are temporal; but the things which are not seen are eternal" (II Cor. iv, 18).

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health With Key to the Scriptures," by Mary Baker Eddy: "Mortals must look beyond fading finite forms, if they would gain the true sense of things. Where shall the gaze rest but in the unsearchable realm of Mind?"

## U.S. METHODISTS WILL UNITE SOON

Union of Three American Bodies Assured by Recent Methodist Episcopal South Vote

The union of the three major Methodist bodies in the United States has been assured by the overwhelming vote given the plan of union by the Conference of the Methodist Episcopal Church South meeting recently at Birmingham, Alabama. The vote for unification was 434, against twenty-six.

The other two negotiating bodies, the Methodist Episcopal Church North and the Methodist Protestant Church had already voted strongly for amalgamation. Sometime within the next year the joint conference will meet which will bring into being what is to be called, succinctly and sufficiently, the Methodist Church.

There will be almost 8,000,000 members in the new united Methodist Church. It will, therefore, be the largest church in American Protestantism. The impending union will follow recent unions in England, in Korea, in Japan, in Mexico, in Canada. The Canadian union took place as far back as 1884 and that of England in 1835.

The Methodist Protestant Church broke away from the main body through its contention for laymen's share in the administrative body, while the Methodist Episcopal South was caused by a split regarding slavery in 1844. Both these issues have been absent and mutual exchange in membership has been practiced for many years.

## TO STRESS LAST WORDS OF JESUS

Rev. James Hyde, of St. Paul's Presbyterian Church, Victoria West, will preach next Sunday morning on "God's Judgment on the Man of God for His Disobedience."

The evening subject will be "The Last Recorded Words of Jesus to His Church, 'Surely I Come Quickly.'" J. J. Matheson will sing at the morning service.

**TRANCE ADDRESS**

## WILL TRY FOR SPEED RECORD

Frank Fuller Flying From Vancouver to Oakland Late This Month

OAKLAND, Cal., May 13 (AP).—J. A. Ewing, director of the Pacific international air races, said today Frank Fuller would fly from Vancouver, B.C., to Oakland, May 28, in an attempt to establish a speed record between the two cities.

The flight will be a feature of the Pacific international air races, May 28, 29 and 30.

Fuller, holder of the 1937 Bendix Trophy and various other speed records, set a non-stop flight record between Vancouver and Agua Caliente, Mexico, in November, 1937, cutting thirty-four minutes from the former record of five hours and twenty-eight minutes held by Earl Ortmann.

## SEEKING AID ON RELIEF PROBLEM

Ladysmith Council to Discontinue Scrip Payments After End of Month

LADYSMITH, May 13.—The unemployment problem loomed large in the discussions of the city council meeting Wednesday evening. Available reserves to meet the burden are diminishing rapidly, and the civic income for the year will not meet the demands. The Union of B.C. Municipalities will be approached as to the success or otherwise of their representations to the Provincial Government, and if that prospect fails, a direct delegation will visit Victoria to take the matter up.

Meanwhile the council decided to discontinue scrip payments to the unemployed after this month, and pay cash instead.

A building permit for one new residence was granted, and other applications involved extensive alterations, repairs and additions to present buildings.

**MAY IMPOSE PENALTY**  
Official patience is almost exhausted by the practice of laggard applications for building. In many instances repairs and construction is almost complete before the application to start work is received. Although minor work may commence at the discretion of the building inspector, a penalty for failure to procure an official permit for extensive plans will be levied in future.

The Boy Scouts were granted permission to hold a tag day Saturday to assist their annual camp outing.

Alderman Steel, chairman of the board of works, reported on his investigation of road-spraying machinery offered to the city. His extensive data was referred to the finance committee to study and report on comparative costs and suitability of machines and materials.

## DUNCAN COUNCIL TO BUY PROPERTY

DUNCAN, May 13.—At Wednesday night's meeting of the city council, it was decided to purchase two parcels of property fronting on the Cowichan River near the Duncan Lawn Tennis Club courts, with a view to its utilization at some future time as a sewage farm.

In future the city firehall will be reserved for the use of the department only, and no other meetings will be permitted in the building.

W. Nicholls, an official under the Dominion Housing Act, will be asked to come to Duncan to confer with the council, J. S. Taylor, M.P., was thanked for information supplied regarding the working of the scheme.

The council decided to ask for the compulsory installation of sound filters on electrical machines which at present are the cause of radio interference.

**POVERTY**  
Gentlemen: "Are you very poor?"

Triamp: "Sir, if I can't buy enough to make a canary a pair of spats."

## Nerves Were So Bad Could Not Stand The Children Playing

The happiness of every home depends largely on the health of the wife and mother. If she is nervous, peevish and irritable, worried by the cares of the household, and tormented by the pains and irregularities that accompany a run down system, there can be no happiness in the home for the husband and children.

Women who are weak and run down, nervous and irritable should take a course of Milburn's Health and Nerve Pills to help restore them to the blessing of good health.

Mrs. Thomas Kink, Nelson, Alta., writes: "I was in such a weak, run down condition before I started using Milburn's Health and Nerve Pills I could not do my housework, and would be so nervous I could hardly stand the noise of the children at their play. Now, after taking three boxes of H. & N. Pills I feel like a different person."

I shall always tell anyone not feeling well to use your medicine. Put up by The T. Milburn Co., Ltd.

# ELEVEN HORSES TO RACE IN PREAKNESS TODAY

## Red Sox Chalk Up One-Sided Victory Over the Senators

**Boston Stretches Winning Streak to Six Straight At Expense of League Leaders by a 10-0 Score—Takes Second Place—Yankees And Indians Lose—Pirates Beat Cubs**

(By The Canadian Press)  
Boston Red Sox stretched their winning streak to six straight Friday and climbed into second place in the American League by wallowing Washington Senators, 10-0.  
Jack Wilson, ex-Portland, applied the whitewash brush, giving the Nats only seven hits and fanning three. Wes Ferrell went the route for Senators. It was Wilson's second straight shutout and Ferrell's second defeat of the season.  
Only an inning stood between Cleveland's Indians and a jump back to first place, but Chicago hammered out three runs in the ninth and the White Sox won, 7-6, showing the Tribe into third place with New York Yankees.  
At the same time Yankees were dropping an 8-6 decision to Connie Mack, who shook up his woeful Athletics line-up. George Carter, ex-Portland and Seattle hurler, tossed the Philadelphia to victory.  
Detroit Tigers hammered out four hits for twenty-two bases and a 7-5 triumph over St. Louis Browns.  
**CUBS DEFEATED**  
Charley Grimm and his Chicago Cubs "board of strategy" fumbled one, and as a result Pittsburgh Pirates came through with a 4-1 tenning victory in their series opener. It was the only National League game of the day, with Cincinnati and St. Louis frozen out and no others scheduled.  
Given a "life" when Grimm not only elected to let Larry French hit, but also ordered the pitcher to sacrifice, the Bucs bombarded French to the showers with a three-run assault in the first of the tenth.

## AUSSIES WIN FOURTH GAME BY BIG SCORE

**Defeats Cambridge University by an Innings and 425 Runs**

LONDON, May 13 (P).—The touring Australian cricket team humbled Cambridge University by an innings and 425 runs today to register its fourth straight innings victory since the opening match, April 30, Worcestershire, Oxford University and Leicestershire had previously fallen by huge margins before the Antipodeans.  
Compiling 708 runs for five wickets, declared, highest total of the tour to date, the Aussies met with little opposition from the Cambridge students, who were dismissed for 120 and 163.  
A. L. Hassett made 220 not out for the tourists, C. L. Badcock 186, Don Bradman 137 and J. H. Fingleton 111.  
Yorkshire, champion county, gained a four-wicket victory over Essex in its first start in the championship series.  
Somerset also overcame a first innings deficit to triumph by 53 runs over Worcestershire.  
The winning teams each took the maximum twelve points under the new scoring system, while Essex and Worcestershire are credited with four each for leading on the first innings.  
In other county matches concluded today, Derbyshire defeated the previously unbeaten Lancashire eleven by 216 runs, Warwickshire downed Hampshire by 70, and Middlesex won from Gloucestershire by three wickets after the teams had registered a first innings tie with 478 runs each.  
Oxford University gained an easy 230-run victory over a Minor Counties eleven.  
The scores:  
Essex, 327 and 218; Yorkshire, 289 and 257 for six.  
Somerset, 114 and 296 for six wickets, declared (Lee 138); Worcestershire, 150 and 207.  
Derbyshire, 316 and 161 for three wickets, declared; Lancashire, 171 and 90.  
Warwickshire, 213 and 245; Hampshire, 232 and 156.  
Gloucestershire, 478 and 243 for seven wickets, declared; Middlesex, 478 and 244 for seven.  
Cambridge University, 120 and 163; Australians, 708 for five wickets, declared.  
Oxford University, 217 and 310 for four wickets, declared (Eager 147); Minor Counties, 175 and 131.

## MANN LASTS TWO ROUNDS

**Knocked Out in Second Session by Tony Galento in the Garden**

NEW YORK, May 13 (P).—Tony Galento, the barrel-shaped man from Jersey, knocked out Nathan Mann, New Haven, Conn., heavyweight, in the second round of a ten-round bout at Madison Square Garden tonight. The pudgy Galento weighed 232; Mann 191.  
Tony connected solidly with only four punches in the two rounds the fight lasted, but each of them nearly took Mann's head off. The Connecticut youngster was counted out as he rested on one knee near Galento's corner at 2:04 of the second round.  
He was floored early in the session for a nine count when Galento crashed a left hook, a straight right and another left against his chin, but managed to weather that storm. Less than a minute later, however, Tony flattened him with another left hand crash, and Referee Arthur Donovan tolled the full ten over him.  
Tiger Jack Fox, a leading lightweight contender from Spokane, stopped Eddie Blunt, Long Island heavy, via the technical knockout route in two rounds of the eight-round semi-windup bout.  
Fox, who weighed 184 to his rival's 217½, dropped the larger negro twice, for counts of one and two, with rights and punches in the second round before Referee Arthur Donovan halted the show at 2:34.

## GRAD CAGERS BEAT CHICAGO

**Percy Page's Quintette Wins Second Game of Cup Series, 42-26**

EDMONTON, May 13 (P).—Led by Noel MacDonald, who scored nineteen points, Edmonton Grads defeated Chicago All-Stars, 42-26, here in the second game of the best-of-five series for the Underwood International Women's Basketball Trophy. Grads also won the first game, 40-33. Third encounter will be played here Saturday.  
The tall centre, returning to the form of two years ago that resulted in many ranking her at the top of the basketball heap individually, tossed eleven points in the first half and added eight more in the second.  
Away to a slow start, the Canadian champions were ahead, 6-5, at the end of the first quarter but they broke loose in the second quarter to jump the margin to 22-11.

## TWO CLUBS IN TOP POSITION

**Emsco and Colwood Wood Share Leading Berth in "B" Section**

Pounding out their second triumphs of the season, Emsco and Colwood Wood softball nines took over top berth in the "B" section race yesterday evening. Emsco trounced the Navy, 15-5, at Admirals Road, while the wooden turned back Saanichton, 11-6, at Victoria West Park.  
Young Liberals checked in with their initial victory when they defeated Esquimalt, 11-8, at Bullen Park. It was the second straight setback for the dockers.  
Playing in a "C" section encounter at Beacon Hill Park, Times clouted their way to a 31-13 decision over the Navy and moved into a two-way tie for first place with the Hollywood Club nine. Clubmen chalked up their second straight triumph when they came through with a 20-13 victory over the Odd Fellows at Victoria West Park.  
The closest game of the evening was witnessed at Savory Park, where the Cameron Lumber team turned back Spencers, 6-1.

## Don Budge After French Net Title

NEW YORK, May 13 (P).—Don Budge, who is practically a kleptomaniac where tennis titles are concerned, is in town with the world's foremost tennis armament and an eye on the French tennis title.  
Don has won the British, United States and Australian singles championships since July 2, 1937. He would like to add the French crown to his loot and thus become the only player in history to hold all four titles at one time.  
Besides being a triple champion, Budge is the mainspring of the defending United States Davis Cup team. The trophy is not often out of his thoughts, for one of the first things he did when he arrived in company with Gene Mako was to predict that Sidney B. Wood, Jr., would make a strong bid for a berth on the cup team.

## DAUBER FAVORED TO WIN \$70,000 EVENT ON MARYLAND TRACK

**Runner-Up in the Kentucky Derby Last Week Is Five-to-Two Choice to Finish First in Rich Turf Race—Can't Wait Is Quoted at Seven to Two—Crowd of 45,000 Expected**

By ORLO ROBERTSON  
Associated Press Sports Writer.  
BALTIMORE, May 13 (P).—The Preakness, second of the United States turf spring classics comprising the "triple crown," will be run for the forty-eighth time tomorrow with ten colts and a filly primed to test speed and stamina over Pimlico's one and three-sixteenths mile for the three-year-old division's richest pot of gold.  
Although robbed of some of its interest by absence of Lawrin, Kentucky Derby winner, and Stagehand, future book favorite, the race should attract a near record crowd of 45,000. If all eleven overnight entries face the barrier at about 1:55 p.m., P.S.T., the race will gross \$70,500, with the winner receiving approximately \$53,000.  
Heading the list are Dauber, William Du Pont, Jr.'s chestnut, and four others which trailed Lawrin home at Churchill Downs a week ago.  
**DAUBER FAVORED**  
Dauber was only a length back to Lawrin in the Derby, but figures to be no better than 5 to 2 tomorrow. Can't Wait, third in the Derby, is the logical second choice at 7 to 2, but his odds may lengthen if the crowd rallies around Hal Price Headley's Menow and the two beaten Derby favorites—William Woodward's Fighting Fox and Warren Wright's Bull Lea.  
Can't Wait should not suffer from a poor ride for George Woolf, of Cardston, Alta., one of the turf's greatest money riders, will be in the saddle. Woolf won the Preakness with Bold Venture two years ago and last Wednesday hung up a track record of 1:56 4-5 for the Preakness distance with Pompon.  
The Fox and Bull Lea are the big question marks. If they run back to early season races, they'll be right in the thick of the battle.

Vancouver—Ken Black, Stan Leonard, Freddy Wood.  
Everett—Ken Tucker.  
Yakima—Al Harrington, Neil Christian, Carl Bowman.  
Seattle—Harry Givan, Scotty Campbell, Forest Watson, Lee Stiel, Jack Westland, Walter Pursey, Johnny Shields, Ralph Whaley, Gordon Richards.  
The entry list closes at the United States Golf Association headquarters in New York Tuesday.

## Galahads to Be Contenders for Football Honors

NANAIMO, May 13.—With the closing date set for Tuesday next, only one football team will be entered from Nanaimo for the Dominion Trophy (Connaught Cup), it was announced here today.  
Ruse Inkster, who will manage the club, which will be known as the Galahads, expects the squad to make a good showing in the play-downs. He has twenty players on the list, including three old stand-bys in McGregor, Knight and Thomson, all halfbacks. Knight has been chosen captain. Manager Inkster states that he has George Kulsi signed up, along with several youngsters who are coming along fast.

## To Resume Meets At Oak Bay Club

The general committee of the Victoria Golf Club has once again decided to hold semi-monthly mixed greensome competitions during the summer months. They will be run off on the first and third Wednesdays, commencing with the first on June 1. The tournaments will be held after 5 o'clock each evening and will be over nine holes with one-quarter of the combined handicaps allowed.

Players will choose their partners and arrange for their opponents and starting times. Post entries will be accepted at the secretary's office. Prizes will be awarded to the winners and runners-up. A buffet supper will be held in the clubhouse after each tournament.

## Art McKittrick in Fine Cue Victory

Reeling off some fine breaks on and off during the match, Art McKittrick, city amateur billiard champion, won the exhibition fixture from Bert Irish, local professional, at the Metropolis Parlors last night before a large crowd by a 750-582 score. Irish spotted McKittrick 250 points but was only able to gain back eighty-two points.

McKittrick's high breaks were: 78, 68, 60, 48, 37 and 34, while the best Irish could do was 48, 46, 40, 37, 36, 32 and 30. In McKittrick's forty-eight break he had a fine opportunity to run off several more points but committed a foul and thus lost his chance.

## Monster Banquet Marks Close of Soccer Season

Wednesday Football League Players Feted at Annual Function—Trophies Presented—Len Fieldhouse Most Gentlemanly Player

Marking the final episode of another interesting and successful chapter in the history of mid-week soccer in this city, Wednesday Football League officials, players and invited guests, numbering more than 100, gathered at the annual banquet and presentation of trophies yesterday evening at the Hudson's Bay dining-room.

Charlie Lewis, hard-working president, occupied the chair, and at the commencement of the lengthy and entertaining programme extended a welcome to players and guests. He thanked the team managers, executive members and players for their co-operation during the season, and paid tribute to the donors of the many beautiful trophies and other awards.

There were a number of presentations made during the evening, but none was so impressive as the Albert Hewison Most Gentlemanly Player Cup to Len Fieldhouse, centre half of the Gorge Hotel team. Postmaster George Gardiner, former member of the Hudson's Bay eleven, and a personal friend of the donor, made the presentation. He lauded Fieldhouse on his fine play during the season and complimented him on being chosen for the award. Visibly touched by the presentation, Fieldhouse received a thunderous ovation from the players as he left the head table to take his seat.

Commander T. C. Beard, S.N.O., presented the Pendray Cup, emblematic of the league championship, and individual trophies to members of the Navy team; while Reginald Hayward, Jr., presented Hayward Cup and individual awards to the Hudson's Bay players.

Alderman James Adam, donor of the cup bearing his name, handed the silverware to Bob Preston, captain of the Bays, while Angus "Scotty" McKay was called upon to present his shield to Garnet Baker, manager of Spencers. Alderman Alex Peden presented the Rennie & Taylor Cup to Louis De Costa, captain of the sailor eleven.

**TOKEN OF APPRECIATION**  
Master-at-Arms W. Pember, manager of the Navy team, received a handsome rose bowl, the gift of the sailor footballers, in appreciation of his work in the interests of the club. Louis De Costa, captain, presented the silverware.

Charlie Lewis, president, was the recipient of a lovely piece of silverware from the executive and players in the Wednesday League. Ralph Alcock, past president of the mid-week loop, made the presentation. Bill Hukins and Bill Hook, veteran line-men, were presented with special gifts for their invaluable services during the season. James Hall, manager of the Victoria "rep" team, in making the presentations, spoke highly of the loyalty to the game and the Wednesday League by Mr. Hukins and Mr. Hook.

The Anscomb Cup, symbolic of the city championship, and played for annually by picked teams from the Saturday and Wednesday Leagues, was presented by Alex

Robertson, Victoria commissioner. Before handing the trophy to President Charlie Lewis, he congratulated the league on its fine play.

Those contributing to the entertainment programme included Bill Hukins, Stan James, Archie Jasper, Reg Stoffer and Charlie Hunt.

## MISS FARRELL WINS HONORS

Jericho Golfer Defeats Mrs. O'Callaghan in B.C. Amateur Final

VANCOUVER, May 13.—Miss Kay Farrell, to whom championship golf is old stuff, tonight held the British Columbia women's amateur crown for the second time in three years.

The Jericho shotmaker, who last won the title in 1936 and was runner-up last year, defeated Mrs. Hugh O'Callaghan, of Quilchena, 6 and 4, in the thirty-six-hole final today.

Mrs. O'Callaghan, who has never won a major title and surprised by knocking aside favorites in her march to the semi-finals, was one down to Miss Farrell at the end of the first eighteen.

The Quilchena golfer found some trouble over the second eighteen. At the three-quarter mark the veteran Jericho shotmaker was leading 4 up and the match ended on the fourteenth.

Mrs. H. R. Wade defeated Mrs. P. Trill on the nineteenth in the first flight final. Mrs. W. R. Cumming took the second flight, defeating Mrs. Robert Renwick, 4 and 3, and the third flight went to Mrs. R. Clements with a 2-and-1 victory over Miss K. Duff-Stuart. Miss D. Boyd defeated Mrs. H. Clayton, 1 up, for the fourth flight title.

## GOLFERS WILL PLAY MONDAY

Women Competitors to Start New Series at Colwood Golf Club

Victoria's women golfers will follow in the footsteps of other cities and districts throughout Canada in aiding to select players to send East to compete in the inter-provincial championship, which is run yearly in conjunction with the Canadian amateur golf tournament.

Next Monday, ten local shotmakers, with handicaps of twelve or under, will tee off in the first of seven competitions in the inter-provincial team trial medal round at the Royal Colwood course. Scores made in the qualifying round of the British Columbia tournament at the Marine Drive course this week will also count. Mrs. B. R. Philbrick announced yesterday.

The following players will tee off between 10 and 11 o'clock: Mrs. E. Jackson and Mrs. S. Enke; Miss M. Mackenzie-Grieve and Mrs. C. Eve.

Mrs. H. G. Mackenzie and Mrs. J. McIlraith.  
Miss Peggy Hodgson and Mrs. H. C. Bennett.  
Mrs. A. C. Stickley and Mrs. Z. Hue.

The following are the dates of other competitions: May 23, Oak Bay Club; May 30, Uplands Club.

## TO OFFICIATE AT SOFTBALL GAMES

Mayor Andrew McGavin and Rev. A. E. Whitehouse, honorary president, will usher in the season in the Victoria and District Commercial Softball League this afternoon in the intermediate and junior sections respectively. The city's chief magistrate will throw the first ball at Savoury Park, where the Admirals clash with the Al-Cos in the intermediate division, while Rev. Whitehouse will perform the same duty at Heywood Avenue ground when Mount Toimie clashes with Harris Cyclists.

The cups to be competed for this season are as follows: Intermediate section, Trail Rangers, Challenge Trophy, presented by George Robinson; Robert Dymond Trophy is the runner-up cup; junior section, Juvenile Challenge Cup, presented by A. E. Kent; Rev. E. P. Church Trophy will go to the runner-up.

## NORTH SHORE IN BOXLA TRIUMPH

VANCOUVER, May 13.—North Shore Indians opened the 1938 Inter-City Box Lacrosse League season here tonight with a hard-fought 12-10 victory over Richmond Farmers. A packed arena of 6,000 fans watched.

The Farmers opened with a four-goal drive in the first quarter and were leading 6-5, at halftime, but Indians tightened their defenses in the final two quarters and outscored Richmond, 7-4, for the win.

Moses Joseph and Beef Smith had three goals for the Redskins, and Scotty Martin, their new eastern recruit, bagged two goals and three assists. John Smith and Sonny Errington were best for the Farmers with two goals apiece.

## HELEN MOODY IN TENNIS VICTORY

LONDON, May 13 (AP).—Helen Wills Moody easily defeated Sheila Paterson, 6-2, 6-2, today and entered the final round of the North London tennis tournament.

The veteran Californian's rival tomorrow will be Mrs. E. S. Lav, who won from Miss F. S. Ford, 6-4, 6-3, in the semi-finals.

## "FIELD DAY" AT UPLANDS LINKS

Women Members Enjoy a Successful Day's Play At Local Course

On sunny fairways, with a light breeze making ideal weather conditions, the "field day" held by the women members of the Uplands Golf Club proved an outstanding success. Twenty-five players competed and every event was keenly contested.

First on the programme was the long driving. In "A" Class, Mrs. Ruth Oliver took top honors with a drive of 180 yards, while Mrs. I. South had the best aggregate with an average of 160 yards for three attempts. Mrs. V. Percival had the best aggregate in "B" Class, averaging 157 yards, and Miss K. Brinkman had the longest drive.

Approaching over a bunker to a sloping green brought out a gratifying standard of skill. Mrs. H. T. Webb had the closest shot to the pin, being five inches away, while Mrs. V. Bradbury had the best aggregate. In the putting competitions, Miss Mary Mackenzie-Grieve, city champion, won "A" Class with seventeen for nine holes, and Mrs. A. M. Boyd had the same score in "B" Class.

## WINS FOURSOMES

After luncheon twelve couples teed off in the two-ball handicap foursomes. Mrs. A. C. Lindsay and Mrs. R. Bramley won the event with a net 79½. Mrs. Boyd and Mrs. R. McPherson were second with 80½. Mrs. I. South, women's captain, and Mrs. B. Shore, secretary, were in charge of arrangements, assisted by the following committee, Mrs. H. T. Webb, Mrs. Bramley, Mrs. C. Pearce, Mrs. E. M. Cuppage, Jackie Cameron assisted in measuring the various competitions.

## FISHING GOOD AT QUALICUM RIVER

According to information reaching the Victoria and Island Publicity Bureau here, fishing is very good at the mouth of the Big Qualicum River, and several fine catches have been reported. Cut-throat trout are being taken from Englishman's River, but the fishing there is expected to be better in about two weeks' time. Ted Rushion, Qualicum, landed a three-pounder recently with a five and one-half-ounce rod. The upper reaches of Englishman's River and the Little Qualicum are now easily accessible, due to the good work of the Forestry Department.

## LIFE'S LIKE THAT

By Fred Neher

"Considering I Still Have Sixteen Payments to Make, Owe Four Repair Bills, and Haven't Yet Paid for the New Tire, I Really Don't Think It Is My Car."

## Jane Dixon Says:

**PROBLEMS IN BRIEF:** THE GIRL WHO IS HECKLED AND RIDICULED BY A CO-WORKER IN AN OFFICE—THE MAN WHO LOVES A GIRL BUT CANNOT TOLERATE HER LACK OF DIGNITY—WHEN A YOUNG MAN GOES TO LIVE IN ANOTHER LOCALITY WHO SHOULD WRITE FIRST, HE OR THE GIRL?—A WOMAN COMPLAINS BECAUSE HER HUSBAND HAS POOR TABLE MANNERS AT HOME

It is the little bothersome bees of life, buzzing around, that can get big folks down, not the great venomous hornets they must face and fight, fearlessly.

**Anna T:** The girl in the office with you delights in holding you up to ridicule. She pretends it's all a joke, but you are sure that underneath her constant heckling is a serious attempt to belittle and to undermine you. What can you do?

Tell her quite frankly you do not care for her humor; that she is annoying you, and that unless she suppresses her "jokes" or carries them elsewhere all cordial relations between you must cease. Irritation interferes with your work, and this you should not and cannot afford. Tell her this, too, in case the matter comes to the attention of your firm and you are called upon to explain your stand.

**Uncertain Tim:** You love the girl and believe she loves you. You would ask her to marry you were it not for the fact that she is completely lacking in dignity. She thinks that to be the life of the party she must be boisterous, chatter incessantly, laugh continually, say and do daring things. How can you let her know the way you feel?

Try telling her how much you admire the quiet, gentle girl in the party for her poise and her dignity. Remark that these are the qualities you will look for in a wife. If she does love you her heart will pick up the hint, and she will go in for a quick course of self-discipline.

**Puzzled:** Is it correct for a girl to write to a young man before he writes to her? "A young man came to see me several times and when he went away asked me to write to him. I think he should write first. He insists I should write first. Which should it be?"

If the young man is going in for propriety he should know that propriety is founded on courtesy and that the courteous thing to do when he went away would have been to drop you a note and tell you how much he enjoyed meeting you and how much he appreciated your friendship. If you had been the visitor and had done the going away then it would have been your place to write a similar note.

**Hurt Wife:** Your husband's table manners are excellent in company, but when you are home alone they are atrocious. You've spoken to him often, but he laughs at you. What can you do? Laugh at him when he waxes atrocious at the table. Ridicule often is a sharper weapon than censure. When you finish laughing remind him that cultured people have only one set of manners—good manners—and that the very best of these they use for those whom they love most.

## "SETTING HER CAP FOR HIM"

Cleopatra's cap was a diadem, set, among others, for Anthony and Caesar; but from her time and before to ours head adornment has been one way in which the so-called weaker sex conquers the allegedly stronger.

They did not always call it "setting her cap for him."

As in so many other instances, the act or the fact antedated the expression, which is comparatively recent, and which is an allusion to days when the cap completed woman's costume and was thought greatly to enhance her attractiveness.

The hat may have been plain, of lawn, or very elaborate, of bright-hued silk or lace; but it was most becoming, and, then as now, de-

signed as well as deployed to melt away male resistance.

JOINT MOVE  
CONSIDEREDReal Estate Board May Join  
With Vancouver in Seeking Redress

The executive of the Victoria Real Estate Board will take into consideration the letter received from the Vancouver Property Owners' Association and also a report from Boston dealing with a move that was made there covering a somewhat similar position to that which faced the local board. This report is to be ready for the meeting of the Real Estate Board to be held four weeks hence.

This action was taken at yesterday's meeting of the board in Spencer's dining-room following an extended discussion of the whole subject of relief from excessive taxation. The newly elected president, David Leeming, occupied the chair and he at once suggested that there should be united action on the part of Vancouver and Victoria if redress was to be expected from the burdens under which these two major municipalities labored in the province.

The chairman pointed out that the smaller municipalities were not affected to the same extent as the two major cities. The latter were the municipalities that needed assistance from the Province from the burdens carried.

**CONCERTED ACTION**  
The question of taxation was the real one in the case of the municipalities.

## CHAPTER XXVI

It was the next day that it began to dawn upon Algy that Brewster was sorry for him. The remoteness of Carstairs continued. The atmosphere of the office was glacial in the extreme. Brewster, in the capacity of intermediary, wore a worried and deprecating air. Impossible as the day wore on to escape the conviction that Brewster was being kind. In the role of Samaritan, Algy found him frankly intolerable. He preferred him as the human encyclopedia. This being Saturday, there was, however, only half a day to be endured. There was hope that the kindness of Brewster might have expended itself before they met again on Monday morning. Possibly, though not probably, Carstairs might have thawed. Anyhow, whatever had happened or was going to happen, Algy intended to play golf. He had a conviction that fresh air and exercise were most urgently required.

The new Bentley had never run better. He returned to town a good deal soothed. He had played like an angel.

He came whistling up the stairs, and was arrested half way by Barker, who emerged soundlessly from the dining-room and informed him that a lady had been ringing him up—"No name, sir, and no message, except that she said she would be ringing again later."

Algy went to his room and pro-

**20 PAY LIFE POLICY**  
PAID-UP AND GIVES  
EXCELLENT RETURNS

This week we received the following letter from an Ontario clergyman whose \$1,000, 20 Pay Life policy has become paid up:

"Dear Sir:  
Time flies. It seems like yesterday when I was 32 and a man named Kilpatrick came into my barn when I was feeding my horse and 'talked me into' Policy No. 135,859. That was in 1918. Then I was in receipt of less than a thousand a year stipend. But each year since I have made my payments of \$34.30 on time, and I am indeed glad I took Mr. Kilpatrick's advice.

I have paid in \$686.00 and I understand from your letter that my policy now has a cash value of \$861.97, including my dividends of \$277.97. I wish at this time to cash The Mutual Life for the country always shown me both from headquarters and from the various agents who have always been interested in me. We are not parting company. Policy 135,859 will continue in force (unless I become hard pressed for money) as long as I live, and my family will have the \$1,000 protection. I will take the dividends of \$277.97 in cash and leave the cash value of \$584, which I understand will increase each year and to which will be added dividends in your capable hands."

Any of our representatives, or Head Office will be glad to quote figures for a 20 Pay Life policy for you.

palities. For this reason he often felt that the Union of British Columbia Municipalities might well, instead of giving attention to a long list of minor amendments to place before the Government and the Legislature, concentrate on some outstanding question like the financial issue.

Various opinions were expressed as to how best to meet the situation that existed. The opinion was advanced that Vancouver and Victoria were practically in the same financial position proportionately as to population. While the bonds of the smaller municipalities were quoted above par at 105 to 110 and were hard to obtain, Victoria and Vancouver bonds were below par. It was stated. The suggestion was also offered that rather than try to interest a large body of residents, the better course would be to have the City Council and the four sitting members of the Legislature brought together with the board and interested in the situation and its needs. If Vancouver would do the same, there would then be possible a united representation before the Government that might make itself felt in any line of action agreed upon.

## TO LECTURE IN OAK BAY

A lecture will be given by Fred Spencer entitled "A Tour Through Present-Day Europe," illustrated with colored moving pictures, at the Oak Bay Theatre Hall next Thursday at 8 p.m., under the auspices of the Oak Bay Liberals. The public is invited to attend, especially the young people of Oak Bay, as the lecture will be both interesting and educational, and there will be no charge.

ceeded to have a bath. When the telephone bell rang he cursed it bitterly. Never is a hot bath so agreeable as when you have to leave it. Algy dripped, Algy cursed, Algy contorted his agreeable features into a scowl. He said "Who is it?" in the voice that means "Why weren't you drowned at birth?" and heard Gay Hardwicke say rather breathlessly: "Oh, Algy, is that you?"

"It's me," Algy replied, the scowl subsiding into a mere frown. "I'm dripping all over the Barker's new carpet."

"Why?" said Gay in an interested voice. "Because I was in the middle of having a bath."

"Darling, how grim!" she said. "Go away and finish having your bath and then come back and ring me up."

"Can't you tell me what you want?"

"Not whilst you drip. I want you in your very best mood. You sounded perfectly ferocious when you asked who I was."

"When he rang up ten minutes after she enquired anxiously after his temper."

"I thought it sounded quite feverish just now."

"It's in the pink," said Algy. "Really? Because I want to ask you something, and I'd rather know beforehand if you're likely to blow up."

"No explosives on the premises," Algy assured her. "You wrong me, my child. I am known as Algernon, the man who never lost his temper."

"How awful that sounds! Has anyone really ever called you Algernon?"

"My grandmother did. I can just remember her saying, 'Here are three pennies, Algernon. Do not spend them all at once.'"

"And did you?"

"Of course. And then she died and left me a tidy sum of money, bless her. Did I ring you up to talk about grandmothers? I mean, was that the original intention, or were you just asking after my temper?"

Gay's voice dropped.

She said, "Well, I want to ask you something."

"Last time you said that, I offered you half my kingdom, but you only wanted to talk about being black-mailed," Algy countered. "What is it this time?"

"Cars," said Gay in a burst of confidence. "I mean your car. I mean—"

"What do you mean? You're not getting anywhere, are you?"

"Well, that's just what I want to do. I want to get somewhere, and I don't see how I can without a car, and—I wondered—whether you'd lend me yours—"

Algy said quite slowly, "You want me to lend you my car. When?"

"Tonight," said Gay.

"Can you drive? Have you got a licence?"

"I've got a licence. I've had lessons."

Algy burst out laughing.

"My child, if bent on suicide, why involve my Bentley?"

A very small voice came back to him.
